Rev. D. H. Tuttle Has Been Preaching 50 Years

Rev. Mr. Tuttle Sunday Celebrated the 50th Anniversary As a Member of the Methodist Conference By Preaching A Sermon to the Methodist Congregation in Smithfield.

By D. H. T.

The call to the ministry, Jesus said, Follow me and I'll make you fishers of men. Again Jesus said, "Go work today in my vineyard." The call often comes in the hour and experience of ones conversion. Again it's a gradual revelation. The evidences of such a call are (1) A hunger to know God thru the use of the means of grace; study of God's word (Mat. 5:6) and prayer; attendance upon the public worship of God; sacrament of the Lord's Supper. (2) A desire to do and love for the service of God in the Sunday School, Epworth League, as teacher, or leader of young people's meetings. In doing these things a love for the souls of those you serve is developed, and the consciousness of a call to preach is more deeply impressed upon the mind, heart and spirit life. (3) As one grows in intelligent decision to worship and serve the desire to tell the old, old story of Jesus and his love for sinful men becomes so impelling that he, like Paul will cry out in agony of soul, "Woe is unto me, if I preach not the gospel." A real call to the ministry is the most compelling demand ever made on the life of any one, and to rebel against such a call is the most dangerous thing one can do. Isa. 63:10.

Jesus, I my cross have taken,
All to leave and follow thee;
Destitute, despised, forsaken,
Thou, from hence, my all shall be.
Perish every fond ambition,
All I've sought, and hoped, and known;
Yet how rich is my condition,
God and heaven are still my own.

This verse was repeated by me at time I yielded to the call to preach in State Convention Y. M. C. A. October 12, 1882.

Application for license to preach must be made by the applicant in person, or by letter, or by some one whom he has requested to act for him. (1) The applicant must be recommended by the Quarterly Conference of the charge to which he belongs. (2) He must pass an approved examination on doctrines and discipline, and give "Satisfactory evidence of his knowledge of the ordinary branches of an English education." The district conferences have authority to grant and renew license to preach in their respective districts. The vote on licensing is by written ballot. The form of license is as follows: (I use my own which was issued January 6, 1883)

King's Mountain, N. C.
January 6, 1883.

The bearer hereof D. H. Tuttle, having been duly recommended, and having been examined as the Discipline directs, by the Quarterly Conference of King's Mountain Circuit, of Shelby District, of North Carolina Annual Conference of the Methodist Episcopal Church, South, is hereby authorized to preach the gospel, according to the rules and regulations of said church.

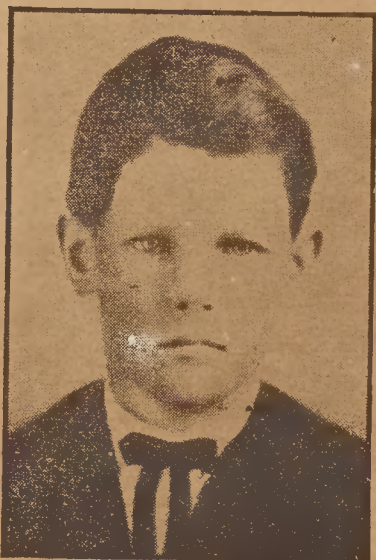

Signed, in behalf of said Quarterly Conference,
H. T. HUDSON, P. E.
B. T. DIXON, Sec.

If the applicant desires to join the annual conference for the traveling, or itinerant work, rather than the local ministry his second objective is to obtain Deacons' Orders. This requires two years course of study upon which he must pass a satisfactory examination by the Conference Committee for that special work. If the committee report the candidate as having "passed the committee" he is elected to Deacons' Orders, and is admitted to membership, and is eligible to receive Holy Communion by written ballot.

Know all men that I, Joseph S. Key, one of the Bishops of the Methodist Episcopal Church, South, under the protection of Almighty God, and with a single eye to his glory, by the imposition of my hands and prayer, (being assisted by the Elders present,) have this day set apart Daniel H. Tuttle, for the office of an Elder, in the said Methodist Episcopal Church, a man who, in the Judgment of the North Carolina Conference, is well qualified for that work; and he is hereby recommended to all whom it may concern, as a proper person to administer the Sacraments and Ordinances, and to feed the Flock of Christ, so long as his spirit and practice are such as become the Gospel of Christ, and he continueth to hold fast the form of sound words, according to the established doctrines of the Gospel.

ference, is well qualified for that work; and he is hereby recommended, to all whom it may concern, as a proper person to administer the Ordinance of Baptism, Marriage, and the Burial of the Dead, in the absence of an Elder, and to feed the flock of Christ, so long as his spirit and practice are such as become the Gospel of Christ, and he continueth to hold fast the form of sound words, according to the established doctrines of the Gospel.

In Testimony Whereof, I have hereunto set my hand and seal, this 29th day of November, in the year of our Lord one thousand eight hundred and eighty five.

D. H. TUTTLE
At 12 Years of Age

Then follows two more years of conference study in 3rd and 4th year classes. If for any reason the candidate for orders fails to pass the examining committee at the end of the year he is continued in the class of that year until Conference of the next year. If finally he makes the course of study for "Elders Orders" and passes the committee he, after fasting and prayer, is ordained by the laying on of hands by the presiding Bishop, assisted by three other Elders. The form of Ordination is as follows:

Know all Men by these Presents: That I, Joseph S. Key, one of the Bishops of the Methodist Episcopal Church, South, under the protection of Almighty God, and with a single eye to his glory, by the imposition of my hands and prayer, (being assisted by the Elders present,) have this day set apart Daniel H. Tuttle, for the office of an Elder, in the said Methodist Episcopal Church, a man who, in the Judgment of the North Carolina Conference, is well qualified for that work; and he is hereby recommended to all whom it may concern, as a proper person to administer the Sacraments and Ordinances, and to feed the Flock of Christ, so long as his spirit and practice are such as become the Gospel of Christ, and he continueth to hold fast the form of sound words, according to the established doctrines of the Gospel.

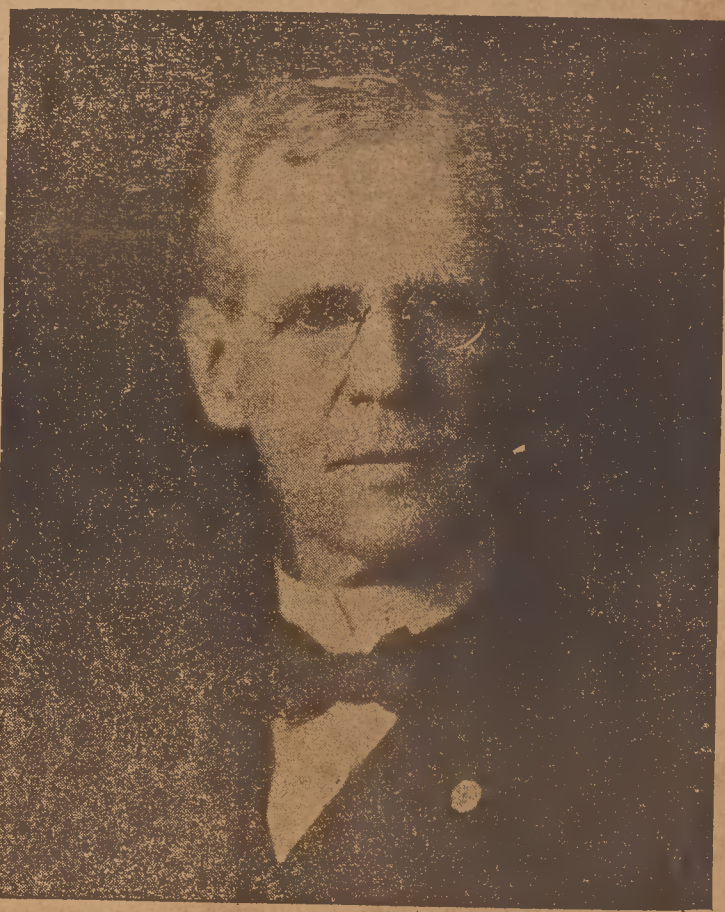

In Testimony Whereof, I have hereunto set my hand and seal, this 4th day of December in the year of our Lord One Thousand Eight Hundred and eighty seven.

JOSEPH S. KEY,
Fayetteville, N. C.

Once ordained to the office of Deacon or Elder he continues to exercise the duties and authority of such orders, "So long as his spirit and practice are such as become the Gospel of Christ, and he continueth to hold fast the form of sound words, according to the established doctrines of the Gospel." To know that all our ministers are living in holy harmony with the Ordination vows they pass an annual examination of character in open conference session. Our preachers are not allowed to go in debt to any one.

Know all men that I, Joseph S. Key, one of the Bishops of the Methodist Episcopal Church, South, under the protection of Almighty God, and with a single eye to his glory, by the imposition of my hands and prayer, (being assisted by the Elders present,) have this day set apart Daniel H. Tuttle, for the office of an Elder, in the said Methodist Episcopal Church, a man who, in the Judgment of the North Carolina Conference, is well qualified for that work; and he is hereby recommended to all whom it may concern, as a proper person to administer the Sacraments and Ordinances, and to feed the Flock of Christ, so long as his spirit and practice are such as become the Gospel of Christ, and he continueth to hold fast the form of sound words, according to the established doctrines of the Gospel.

C. P. Harper Presented With A Silver Loving Cup

C. P. Harper, Local Druggist, Is Honored As Selma's Most Useful Citizen During Past Year—H. B. Marrow Talks On Schools.

(BY H. H. LOWRY)

At the regular weekly meeting of the Selma Kiwanis Club held on last Thursday night, Mr. C. P. Harper, of the Selma Drug Company, was presented with a beautiful loving cup. This cup is given each year to the citizen of the town who has rendered the most service to the town during the past year. The cup last year was presented to Rev. L. T. Singleton and in a few well chosen remarks Mr. Singleton last night awarded it to Mr. Harper. The recipient thanked the local Kiwanis and Woman's Club for the vote given him, which was almost unanimous. Those who have won this cup in the past were Miss Margaret Etheredge, F. M. Waters, C. A. Jacobs, Geo. F. Brietz, Rev. L. T. Singleton.

The program chairman, C. A. Jacobs, introduced H. B. Marrow, superintendent of schools of Johnston county, who made a brief talk to the club on the work of the schools in the county. Mr. Marrow said in part:

"The action of the 1931 General Assembly in making the constitutional six months school term a state supported term instead of county supported term was the most revolutionary and far reaching school legislation that North Carolina has enacted since the adoption of the present constitution in 1868.

"Usually such fundamental changes are brought about by constitutional amendments rather than legislative enactments. The view of the constitutional requirement that there shall be a uniform school system in the state had never before the legislature of 1931 been interpreted to mean that this uniform system must be financially supported by the state. Prior to 1931 the accepted interpretation of this constitutional mandate was that the state, through the legislature, was to provide the uniform school system in each of the one hundred counties, which in turn paid for these schools by an ad valorem tax.

"It is true that in about 1900 the state began to recognize that some counties were not financially able to support such a uniform system of schools as was provided by the general assembly, and as a result of the general funds of the state \$100,000 to be used in equalizing the school costs and advantages in the financially weaker counties. This small fund was the beginning of the more recent equalizing fund which had increased by 1930 to \$5,250,000 a year. In other words, in reality the counties were supporting the schools with substantial state aid before 1931.

"In 1931 Representative A. D. McLean convinced the General Assembly that the correct legal interpretation of the constitutional mandate for a uniform six months school term was for the state to financially support this term. The state having in 1920 adopted a policy of not laying an ad valorem tax for state purposes four years after the passage of the famous McLean law under the burden of taking on an additional \$10,000,000 to completely support the school term. The long fight of the General Assembly attempting to find sources of revenue other than an ad valorem tax familiar to us. It was necessary for a promise to unlock the legislature. This compromise was the laying of the ad valorem tax by all the counties in return for which were to be turned over to the state to help maintain the six months school term. Under this operation of this act Johnston county paid to the state \$64,000 toward the support of its schools which it receives from the state for its purpose \$358,000.

"Thus the school system of 1931 school law has secured the school system from the county system with the aid of the state supported system of the county. The state is pledged to support the school system.

resting facts concerning the county schools.

"There are at the present time more than 18,000 children in school, said Mr. Jacobs. The average daily attendance last year was 13,543. There are 175 school buses transporting more than 8,000 children daily at a cost of 5.7c per child per day. The buses operate 3,667 miles each day. The average daily trips 20.9 miles. Average number of children per truck 46. Average cost of child figured against enrollment is \$25.06. Average cost of child figured against daily attendance is \$31.91. This includes all school expense and capital outlay.

A saxophone duet by Jimmie Woodard and William Holt, accompanied by Miss Baines at the piano, was enjoyed by the club.

Kills Big Hog.

Mr. A. E. Phillips who lives on Smithfield, Route 2, killed a Poland China hog on January 2nd which tipped the scales at 840 pounds after being dressed. Mr. Phillips says that with the exception of about \$4.50 worth of hipstuff all the feed used in raising this hog was home raised. He measured 8 feet and one and one-half inches from tip to tip, was 42 inches high and was 3 years and 7 months old.

The fat from this hog produced 270 pounds of lard.

Mr. Phillips killed a hog just before Christmas which dressed 380 pounds, and now has six more to kill which will dress 1300 or 1400 pounds, and he says that he hasn't spent a penny for feed for any of them except the big hog.

Negroes Are Shot Walking Highway

(Special to Johnstonian-Sun)

Smithfield, Jan. 19.—This morning as they were walking along the highway between Smithfield and Wilson Mills, Abner Sanders, son of John Sanders of near Wilson Mills; Wilbur Barfield of Greytown, and Dollie Lee, who lives on the Frank Broadhurst farm between Smithfield and Wilson Mills, were shot, supposedly accidentally, by Richard Smith who was walking along with them and behind them.

It seems that Abner Sanders, Wilbur Barfield, Nathan Sanders, and Richard Smith were going to the home of Abner Sanders to go hunting and Smith was bringing a shot gun along when it accidentally went off. Barfield was mortally hurt, having taken the most of the load on his right shoulder. Abner Sanders was less seriously hurt, but also was wounded in his right arm. Dollie Lee was hit by a few scattering shot on her face.

They were taken to the home of Dr. Wilson here for treatment, none of the wounds seem to be a dangerous character.
