# Kenly Evens The

Pittman's Triple Breaks Up Johnston County Game and Evens Johnston County

Kenly, Sept 27.-Kenly and Clayton staged another wild baseball game today, the home team winning an 11-inning battle by an 11-10 count to draw even with Clayton in the Johnston County League championsh'p series. Each club has won two games, and the fifth con test will be played in Clayton Friday afternoon at 3:30 o'clock.

Today's game was a continuation of the free-scoring which marked Clayton's 12-11 victory of Wednesday. The locals piled up a 9-5 lead in six inning, only to have Clayton score one run in each the seventh and eighth and then tally twice in the ninth to bring on over

The visitors counted once in the 11th on hits by Baucom and Clifton Poole. Poole, who had been sent into the game as a pinch-hitter in the ninth, thus made it two hits in as many tries.

In the home half of the second extra inning Harvey Pittman hit safely with one out. An infield out followed and the fans' hopes dropped. The next batter was hit by a pitched ball and then E. Pittman hit a long triple to right to score the tying and winning runs.

Baucom, with four hits, and Johnson, with three, led Clayton. Clayton 000 032 112 01-10 15 3 Kenly 004 014 000 02-11 11 2 Wilder, Blinson and J. Barnes; Hinton, E. Pittman and Evans.

CLAYTON DEFEATS KENLY BY SCORE OF 12-11

#### (BY ROBERT NOBLE)

Clayton bested Kenly in the third game of the Johnston County League championship series, the score was 12-11. It was a wild base ball game, each club getting 14 hits, and Kenly making 7 errors which was two more than Clayton committed. The game was won in the last of the ainth when Pittman erred, Baucom' grounder with the bases full and two men out. The game was featured by the home run hitting of each club, Kenly had four players to lose the ball over the short fence, while three of the locals did likewise. Each club used four pitchers. The teams met at Kenly yesterday and Kenly evened the series. They are now tied at two games each and play at Clayton Friday.

## Tobacco Is Schools To Score With Clayton Selling Better Open Oct. 11

Bring More Optimistic Feeling Among Farmers and Warehousemen As Sales Proceeded Today.

(Special to Johnstonian-Sun) Smithfield, Sept. 28.—The tobacco ales warehouses here were reopened Monday. All were filled with the wed, and they have had blocked sales ever since. Each warehouse is filled to overflowing before the buyers reach it. The warehousemen are doing all in their power to accommodate their patrons, but the tobacco has been coming in faster than t could be sold on the floors of

There is now some talk of building another warehouse here, and securing two sets of buyers for 1934 One warehouseman said this week that he thought the sales here this year would cross the twelve million mark. The prices on all markets are lower than many people had expected, but there appears to have been less dissatisfaction here than on some of the larger markets.

When the sales opened today all warehouse floors were completely blocked with the weed, but prices began soaring until they appeared to be selling the better grades at an advance of from \$500 to \$10.00 per hundred above what they have been selling at this week. Prices are usually as god in Smithfield as inywhere else.
