### Presbyterians Stage All Day Rally Here

There was an interesting program given at the Selma Presbyterian church last Saturday when an all day rally was staged with about ten local churches and missions represented. The sessions began at 10:30 Saturday morning and closed at 3:30 in the afternoon.

Rev. D. F. Waddell, the local pastor, acted as temporary chairman until Rev. J. P. Smith, of Smithfield, was elected permanent chairman of the assembly. A roll of churches and missions was had and most of these were well represented.

One of the first speakers on the program was Mr. Geo. F. Brietz, superintendent of the Selma Cotton Mills, who outlined in a very impressive way some of the methods which he has found beneficial in Sunday school work during his long career as a Sunday school worker. His talk was very interesting and helpful to all present.

The chairman then introduced the chief speaker of the morning, Rev. E. C. Lynch of Wilson, who took for his theme: "Business in Hand". Mr. Lynch stressed the importance of faithfulness to church and Sunday school rather than trying to magnify attendance records. He said that to accomplish most we should strive to impress those present with the great Bible truths and let them go away feeling that they have been helped by going to Sunday school and church. He emphasized the importance of Sunday school teachers being familiar with the Bible and especially with the Sunday school lesson. All Sunday school teachers would have been helped by hearing this part of his address.

The meeting adjourned for dinner at twelve o'clock and went to the basement of the Selma High school building where a good dinner and social hour was greatly enjoyed.

Following the dinner hour, Rev. F. E. Manning, of Georgia, spoke on "The Methods of Country Church Finance." Then a general round table discussion was had, during which several representatives from the rural churches participated. Talks were also made on "Woman's Auxiliary and the Organized Young People's Work", and those present declared this to be a most helpful part of the program.

It was decided to hold the next session at Kenly on Friday, December 6, 1933.

The organization then voted unanimously to place on its minutes the recent action of the Synod of North Carolina on Temperance, as follows:

### Business Message From Federal Bank

Columbia, S. C., Oct. 24.—The organization of local production credit associations in the Carolinas, Georgia and Florida will be the first duty of the new Production Credit Corporation of Columbia. These associations will be organized on a county basis, and President Looney, of the Columbia Corporation, suggests that educational meetings be held in various parts of all counties where farmers may be interested in order that they may understand how to obtain loans and the benefits to be derived.

Following these educational meetings, a county meeting should be called after arrangements have been made to have a representative of the Production Credit Corporation of Columbia present to explain detail and assist the farmers in making application for a charter to the Governor of the Farm Credit Administration. When it has been determined that a local association is needed, a charter will be granted, and a business meeting of the incorporators will be called for the election of directors and the transaction of other business necessary to perfect the organization. The association will then be in position to accept applications for loans.

Initial capital for local associations will be secured by the sale of their class. A stock to the Production Credit Corporation of Columbia. Funds so obtained will be used to purchase suitable securities to be pledged with the Intermediate Credit Bank of Columbia in support of the local associations' liability to that bank. The Intermediate Credit Bank will extend to the local association a line of credit equal to approximately five times the securities pledged, such credit to be represented by satisfactory farmers' notes that may be discounted for the association by the Intermediate Credit Bank. The interest earned by the funds pledged as security goes to the local association to help pay its expense of operation and is in addition to interest obtained from local loans.

Farmers may secure loans from the local association for the production and harvesting of crops, breeding, raising, and fattening of livestock or for the production of livestock and poultry products. Such loans will be made at a rate of interest not to exceed 3 per cent above the discount rate of the Intermediate Credit Bank, which is now 3 1-2 per cent per annum. Under present conditions the rate of interest to a farmer borrowing through a Production Credit association would be 6 1-2 per cent.

A farmer must own class B stock (may be deducted from proceeds of loan) valued at not less than 5 per cent of the amount of his loan. Class B stock carries voting privileges for the election of officers and directors and shares equally with Class A stock in the distribution of dividends. No stock in the association carries double liability.

Loans will be secured ordinarily by a first mortgage lien on growing crops and other personal or real property; livestock loans by a first mortgage lien on the livestock and other suitable security. No loan may

### Smithfield News Items

The wet and dry forces are now getting busy. They are lining up their followers for the election to be held on Nov. 7 in, an effort to find out whether the majority of the people of North Carolina are dry as they once were, or whether those who hold the balance of power in the State have turned over to the wet side.

There will be only one day in which to register for this election and that day will be next Saturday October 28 when the registrars are required to keep the books at the various polling places from 9 o'clock a. m. until sunset and those who are not properly registered should get their name on the books on that day.

The public is invited to attend a joint meeting of the vocal union and Free Will Baptist League to be held at Hopewell church 5 miles west of Smithfield next Sunday. It will be an all day meeting and those who expect to attend are informed that well filled baskets will be welcomed.

The Smithfield tobacco warehousemen are now expecting the sales in the three warehouses here to reach ten million pounds this season.

It is estimated that about 40 per cent of the crop has now been sold, and Smithfield sales have already passed the four million mark. The good averages of prices that have been made in Smithfield this season appear to be attracting the attention of both the farmers and the tobaccoists and may prove to be a drawing card that will bring enough tobacco here to make a new high record of sales this season.

Mayor E. S. Stevens has issued care and system in parking cars on town and community to use more an appeal to the people of the streets in order to relieve congestion in the business section. He urges business men to load and unload their trucks in the rear of their stores.

MR. W. M. WOODY WITH COMMONWEALTH MOTOR CO.

The Commonwealth Motor Company, Raleigh, dealer in Buick, Olds, Pontiac, Cadillac and La Salle automobiles, is pleased to announce that on Monday October 30, Mr. W. M. Woody, of Selma and Smithfield, will enter their employ as retail salesman.

Mr. Woody is well known to the citizens of our community and his many friends will undoubtedly be glad to know of his new association. For a number of years Mr. Woody was with the Smithfield Mills, Inc., and for the past several months associated with Mr. Dan. M. Hayes, of Selma, in the cotton business.

This new connection will cause Mr. Woody to move to Raleigh, but he assures everyone that he will be back in Selma, Smithfield and Johnston county quite often, and expresses the hope that his friends will give him their business and support in his new venture.

Mrs. J. W. Wyatt Died Last Friday

Mrs. J. W. Wyatt died at her home in Selma on Friday, October 20, following several months of ill health although she had not been confined to her bed but about ten days. Interment was made in the cemetery at Beulah church six miles north of Selma, Saturday, October 21, in the presence of a large number of sorrowing relatives and friends. The funeral was conducted by Elder J. T. Coller, of Micro, assisted by Elders Harris and Moran, of Floyd, Va.; Elder M. F. Westbrook, of Newton Grove, and Elder Williams of Spencer, N. C.

The deceased was the devoted wife of Elder J. W. Wyatt, who is widely known through the state and in many other states of the Union as an Elder among the Primitive Baptists. She was the mother of six children, five of whom survives her, as follows: Mr. Monroe Wyatt, of Konnarock, Va.; Mrs. Sarah Jeffreys of Mebane, N. C.; Mrs. Lucy Coates, of Durham, N. be obtained for a period of more than three years, but the majority of loans will be for periods of six to twelve months.

### Truck Driver Held Up

Last Saturday night about the midnight hour, Mr. C. H. Brown's truck driver pulled out from the Sanitary Grocery here and went on his way to Pine Level, Mr. Brown's home. When he had gotten to that piece of woods about one mile west of Pine Level, he was confronted by three men with large revolvers drawn on him with the demand that he stop. He immediately slowed down. The men then asked him where Mr. Brown was and he told them he was coming on behind. They then warned him to drive on.

Mr. Brown failed to show up for them as he had gone around by way of Highway No. 10. He says that he can offer no explanation why he went around that way as he doesn't remember that he had been that way from Selma to Pine Level in the past year.

Mr. Brown had practically all the money from a busy day's sales on his person, and had the thieves been successful they would probably have gotten a good sized loot.

Mr. Brown says that he has certain parties under suspicion and that warrants will probably be issued in the next few days.

The members of the Alma Edgerton Bible class of the Methodist church enjoyed a most delightful oyster supper Wednesday evening. The supper was served in the junior department of the church, thirty-five members of the class being in attendance. Rev. L. T. Singleton pastor of the church, Mr. George F. Brietz and Mr. Eli Taylor, the efficient teacher of the class, made very interesting talks. This is one of the largest men's Bible classes in Johnston county Mr. R. E. Suber is president and Mr. Herbert Ward secretary of the class.

SELMA MILL VILLAGE NEWS

On last Saturday afternoon about one o'clock there was a very unique gathering at the home of Mr. and Mrs. G. F. Brietz. Well we were trying to get started on a very serious business trip to Raleigh (now, guess what that business was) I suppose a lot of you know, if you had your radio tuned in. Now "honest injun" didn't they do fine! But I am getting ahead of my story.

Mr. and Mrs. Brietz, Mr. and Mrs. Harris, Mrs. Kemp and Woodrow left here about one o'clock with five small children, so excited they couldn't be still, for they were going to sing over the radio. But we are great believers in being on time so we were about two hours ahead of time and spent the most of that time in the museum to the delight of the children. But time was flying and soon we were on our way to WPTF and just in time. There were lots of other children but finally their time came. The first number on our program was a song, "Good-bye, My Lover, Good-bye" by Lois and Vernie Yarborough next, song, "The Spanish Cavalier" by Lenard Turner and Gladys Radford; Third, "Lamp Lighting Time In The Valley," by Hellen Morris. playing her own accompaniment on guitar; fourth, "Beautiful Autumn Leaves," sung by Mildred and Myrtle Mae Seawell. A perfect success for our children. Now a trip to the Woolworth store and here is the joke on Mr. Brietz. He bought so many sandwiches for the children they couldn't eat them and they just walked over and asked him to carry them until they were hungry again. See, one good deed calls for another.

Legion Post In Drive For Members

When the American Legion met in the national convention in Chicago some two weeks ago, it adopted the slogan: "We must again sell the Legion to the public." The Pou-Parrish Post made a long stride in that direction here last Friday night at a banquet held at the Woman's club building. The chief concern of the Friday night meeting was to emphasize membership in the Legion. The Post last year had a membership of 68, and it was announced at the banquet that only a few members were lacking to reach the enrollment of last year. The post set as a goal, membership equaling that of last year by yesterday (Monday), at which time the report would go to the state meeting at New Bern. At this meeting the state officers were installed, including Dr. J. W. Whitehead as vice commander.

The meeting was presided over by Hugh Austin, the newly installed commander of the Pou-Parrish post, and second in charge was Dr. J. W. Whitehead, former commander and now vice commander of the state department.

The Legion here, as at Chicago, went on record pledging loyal support to the President and his program of governmental economy, and the post stands four-square for civic integrity.

Barbecue with slaw and coffee was the menu of the evening. Several selections by the Smithfield Enterprise Quartet, colored, were rendered which were much enjoyed and applauded.

The chief speaker of the evening was Dan Terry of the Raleigh Legion post. Morehead City and Beaufort were also represented by visiting members.

The Armistice Day celebration will be held at Selma this year, and Mayor W. I. Godwin, W. T. Kirby, C. P. Harper, R. A. Jones and H. H. Lowry, of Selma, were guests of the Post and each extended to the veterans a cordial welcome to Selma.—Smithfield Herald.
