N. C. Progresses Under National Farm Program

THE story of agriculture in North Carolina during the past seven years under the National Farm Program is a story of more income, more conservation, and more security, says Dr. I. O. Schaub, director of the State College Extension Service. "What's more important," he declared, "is that it has been a democratic program, with the farmers helping to run things."

Part-Time Doctors Needed In Army

The expansion of the Army creates a need for about 600 civilian medical officers in various grades for temporary and part-time service. The duties of full-time officers will be to act as doctors of medicine in active practice in hospitals, in dispensaries, and in the field. The duty of part-time officers will be to report for sick call at a fixed hour each day and to be subject to emergency call at all times.

The Civil Service Commission in making this announcement calls particular attention to the fact that part-time officers will be able to continue their regular practice. In order that this may be done, appointments to the part-time positions will be made of medical officers in the vicinity of the place of duty.

Information concerning these positions may be obtained from the Secretary of the Board of U. S. Civil Service Examiners at any first or second class post office, or from the United States Civil Service Commission, Washington, D. C. Physicians are urged to apply at once. This work is of the greatest importance to the success of the National Defense.

past three years in the State schools.

Mr. Allen, son of the late Mr. and Mrs. R. G. Allen of Benson, attended the University of North Carolina at Chapel Hill. At present he is connected with the post office department in Benson.

Following the ceremony the couple left for a ten-day trip to Canada. Upon their return they will be at home in Benson.

Mrs. Godwin Entertains

Mr. and Mrs. H. T. Godwin entertained their bridge club at their home here Wednesday. At the close of the games fruit juice and cocktail chasers were served to the following members: Mr. and Mrs. J. T. Hatcher, Mr. and Mrs. M. E. Gattis, Mr. and Mrs. E. M. Denning, and Mr. and Mrs. H. T. Godwin.

Here are some of the facts and figures Dr. Schaub cited in reporting on the progress: The cash income of North Carolina farmers was 148 per cent higher in 1939 than in 1932; buying power increased 231 per cent from 1932; farm real estate values in 1940 are 60 per cent above those of 1933; 2,013 acres of 1940 wheat was protected by crop insurance; the Farm Credit Administration agencies loaned \$78,366,676 from 1933 to 1939; debts of low-income farmers were reduced \$970,707 under Farm Security Administration debt adjustment service; and 31,102,000 pounds of surplus foodstuffs were distributed to needy families in the last fiscal year.

Under conservation, 288,400 North Carolina farmers participated in the 1939 AAA program, representing about 67 per cent of the State's cropland. Participation is even higher in 1940. In 1939 a total of 969,113 acres of North Carolina farm land was covered by 5-year agreements with the Soil Conservation Service. During 1939 a total of 1,175,800 trees were planted with Federal assistance.

Farmers are also more secure in their homes. From 1935 to 1940 15,824 farm families received rural rehabilitation loans totaling more than \$7,670,000, and \$461,730 in grants were made during the same period. Four hundred and nineteen tenant families started toward ownership by loans for farm purchases, and 4,912 miles of rural electric lines to serve 20,878 farm families was made possible by allotments of the Rural Electrification Administration.

"All this was in North Carolina, and such progress will continue," Dr. Schaub asserted.

FOURTH

John Hudgens, Jr., a farmer of Flat Rock, has a Hampshire brood sow that ranked fourth in the Hampshire Register of Merit for the entire country in 1939, reports Henderson County Farm Agent G. D. White.

WE RECOGNIZE

The fact that you are entitled to every possible protection against infection and contagion while in this shop, and we endeavor to discharge this responsibility by scrupulous adherence to all sanitary precautions.

WE BELIEVE

That you are entitled to the same courteous, careful and conscientious treatment from every barber in this shop, whether you wish all the services we have to offer or nothing more than a shave, and we sincerely try to carry out this principle.

WE WANT YOU

To feel that you are under no obligation whatsoever to buy tonics, or shampoos, you will receive the same treatment whether you do so or not.

THE PREPARATIONS

Dispensed in this shop and sold for home use are all standard merchandise of the highest quality, bearing the original manufacturer's label, undiluted and guaranteed to be free from injurious ingredients.

WE REGARD

The hair tonics for sale in our shop not as hair-growers or "baldness cures" but as legitimate aids to the preservation and beautification of hair and the proper care of the scalp.

WE FEEL

That we owe the responsibilities enumerated above to every patron of this shop, regardless of the frequency of his visits, and the owner would appreciate having called to his attention any laxness on his part or the part of his co-workers.

WE ALWAYS WELCOME YOU AND ARE GLAD TO SEE YOU AT ANY TIME.
