SUNDAY SCHOOL LESSON FOR Nov. 1st

"THE CHRISTIAN VIEW OF MARRIAGE"
Gen. 2:18-24 Matt. 19:3-6 John 2:1-5

By EDWIN MILLER
GOLDEN TEXT: "Marriage is honourable in all" Heb. 13:4.

The home is the oldest of all institutions. It is the institution in which life is begotten, born, reared, nurtured and equipped for the responsibilities of life. If it were possible to wreck all other institutions and leave the home, the home would rebuild the others. The child who has the blessings of a Christian home learns lessons of love, loyalty, lawfulness, truthfulness and honesty. If the home is unchristian the child must form a good character of his own will-power despite discouraging home influences.

"The First Marriage"
Our Genesis reading records the making of woman and the first marriage. God had made all the beasts creatures of his creation. Adam was made and was told to name each animal and creature. But among all God's creatures man could not find a creature like himself. In the midst of the animal kingdom he was still alone. "And Lord God said, It is not good that the man should be alone; I will make him a help meet for him."

Humanity is not fully represented in either man or woman alone. Man supplements woman and she supplements man. Each needs the other. Solitary man is not ready for life, not only because he is lonely, but because he is incomplete, unfitted to do what is in the mind of God for him.

God performed the first operation much like doctors do today. He caused the patient to fall into a "deep sleep." Woman was created from an extracted rib, not made out of his head, to rule over him, nor out of his feet to be trampled on by him, but under his arm to be protected; and near his heart to be his beloved.

Some of the excuses for divorce in Jesus' day are worse than those of Reno today. Moses said a divorce could be obtained if the man found "some unseemly thing" in his wife, or if she "no longer found favor in his sight." Some in Jesus' day interpreted this that if a man got tired of his wife, if her cooking did not suit him, or if he saw a handsomer woman than his wife, he might put her away.

The Pharisees asked Jesus about the matter, and our Master simply went back to the Genesis record, and said, "What therefore God hath joined together, let no man put asunder." Here his lesson is that the marriage is "recorded in heaven," is a divine institution, a sacred union which should be religious and permanent.

The conception of marriage as only a civil contract is dangerous. For that reason I believe every couple should be married by a minister because this impresses upon them the spiritual side. If only a civil contract, civil laws seal it can be broken again and again as often as divorce suit is made. But when God has joined two together in Holy Matrimony, it is a sin for anyone to encourage legalized adultery.

Another dangerous tendency today is to lose one of the main purposes of marriage. From the beginning it was God's purpose for mankind to reproduce, to "replenish and multiply." Thus this is a basic and an essentially divine purpose. Among the Hebrews, children were the "glory of the family." Today some think only in terms of self, comfort, pleasure, career, money, convenience, and security rather than in parenthood and the improvement of the nation by building glorious Christian homes.

Express Agency Here Collecting Old Tires

P. H. Starling, local manager of Railway Express Agency, which has been designated by the government to collect and ship to regional warehouses all tires offered for sale under the Idle Tire Purchase Plan, reports brisk activity in this area.

The Idle Tire Purchase Plan, put into effect October 15th by the Office of Price Administration, provides a way by which passenger car owners with more than five tires per car may sell their excess casings before mileage rationing begins on November 22. When motorists on November 9 begin registering for mileage rationing, they will be required to report the serial numbers of all passenger car tires they own. Gasoline rations will be denied to those with more than five tires for each passenger automobile. However, if they have passenger car trailers, they may have one tire for each running wheel without forfeiting the right to buy gasoline.

Because of the volume of inquiries that are being directed to the Railway Express Agency office by motorists with tires to sell, Mr. Starling made the following authorized explanation of procedure under the Idle Tire Purchase Plan:

"To sell his tires to the government the individual should telephone the Railway Express Agency office to pick up his tires and take them to a government - designated warehouse. The owner will be given a receipt for the tires and will receive his check, or war bonds and stamps if he desires, in payment from the government shortly after the tires have been inspected at the warehouse for official determination of their value. Payment will be at retail price ceiling levels.

"Those who live outside Railway Express pick-up zones should bring

their idle tires to the Agency's office.

"To each tire, the Railway Express Agent will attach a shipping tag identifying it with the receipt given to the seller. All tires collected in this way will be sent to the warehouses where they will be appraised by a paid tire expert. No deduction will be made for the services performed by the Railway Express Agency.

"Damaged but repairable tires and tubes will be appraised at their ceiling prices, less cost of repairs. Scrap rubber prices will be paid for any that cannot be made serviceable. Persons owning casings obviously fit only for scrap, should sell them at once to scrap rubber dealers, a transaction permitted in present restrictive orders."

Prayer Meeting At Home of Dewey High

Cottage prayer meeting was held at the home of Mr. and Mrs. Dewey High Thursday evening at 7:30, conducted by the Rev. O. L. Hathaway of the Methodist church. Talks were made by Mr. J. W. Ellis, Mr. Joe Price and Mr. H. B. Carter and we enjoyed these talks very much. There were four denominations present, Methodist, Baptist, Free Will and Church of God. We are glad to know that we can all work together and for the same cause to make heaven our home.

Special music was given by Mrs. Mary Carter and Miss Myrtle Griffin. A wonderful sermon in music and song was enjoyed by the forty-five persons present. You are invited to attend these cottage prayer meetings. Next meeting to be held on Thursday evening at 7:30 at the home of Mr. and Mrs. J. C. Wilkins, special music is expected for this meeting.

We cordially invite you to attend.
