Gridders Finish Season With 4-2 Mark Intramurals Ring Tennis, Football Wind Up With 211, 204 Winners

Ferndale's Baby Bison have started another season in fine form. Their first victim of the 1961 season was Broad Street of Burlington, overcoming their foe by a 20-19 score. Both teams played well all through the game, moving the ball with much finesse and skill.

The first half began by Broad Street's kicking off to the Baby Bison. Ferndale's offense wouldn't click, and they were forced to kick. After two long gains of about 15 yards each, Broad Street scored from the 15 yard line on a run around right end. The extra point kick was blocked by Bill Southerland.

Starting the second quarter, Ferndale shook off their first game "butterflies". On the second play from scrimmage, Jim Caughman skirted right end from the ten yard

9th and 8th Grade Team Breaks Even

The Ferndale Junior High Seventh and Eighth grade football team has finished its season with a 2-2 record. Their two wins came at the expense of Madison-Mayodan and cross-town rival Northeast. Their losses were at the hands of Thomasville and Lexington.

In the Madison-Mayodan game, our boys went wild. Charles Bowers scored three touchdowns and Jerry Green had a pointer to his credit in the 48-0 rout.

In the Northeast game our boys rolled to a 13-6 victory. Bill Bradner and Kenneth Cagle scored the Ferndale touchdowns while Charles Bowers scored the extra point.

Our boys lost a squeaker to Thomasville in their third game of the season by a score of 20-19. The scoring was done by Kenneth Cagle and Charles Bowers, with one TD apiece. Bowers added the extra point.

FJHS High Steppers

Majorettes for the Ferndale Junior High Band have been chosen for the coming year. The baton twirling girls are Sandra Johnson, Dixie Chiles, Happy Fountain, Janet Williams, Maxine Waldon and Connie Calvert.

The girls were chosen from the intermediate and concert bands by Mr. John Mauney, band director.

On October 28th, the six girls marched in the Miss High Point parade. They plan to make another showing in the annual Christmas Parade.

stripe for a touchdown. A fake kick and a pass from Gary Embler to Barry Cook provided the extra point.

Broad Street took the kickoff and on their first play from scrimmage, Charles Duncan intercepted a pass on his own 40 yard line and raced all the way to the end zone for Ferndale's second touchdown of the quarter. Duncan also blasted over for the extra point and Ferndale's lead was 14-6.

Ferndale kicked off to Broad Street and on second down and short yardage, Broad Street took to the air again. The ever present Duncan, proving to be a thorn in the side of Broad Street, intercepted the errant pass on his own 42 yard line to set up a third Bison touchdown. From this point, Ferndale started a sustained drive that carried them to the 2 yard line before Charles Duncan banged in for the score. The point-after-touchdown was no good and the score stood at 20-6 at the half. Broad Street took the second half kickoff and marched 58 yards for a TD. The extra point was good and Ferndale's lead was cut to seven points. After Ferndale couldn't get their ground attack going and were forced to punt, the Broad Street single-wing really began to click. It was then that they scored a third touchdown. The Baby Bison line held the extra point run and Ferndale still held a lead of one point.

But Broad Street wasn't through! They ground out yardage and first downs to the 18 yard line of Ferndale. But time ran out for them and Ferndale had a victory by the score of 20-19.

Outstanding on defense were Paul Kindley, end, Bill Southerland, guard, and end Barry Cook.

First Defeat

The Ferndale Baby Bison suffered their first defeat in two seasons at the hands of Turrentine Junior High of Burlington. Ferndale had its hands full with the single-wing defense Turrentine and still hadn't solved it until after the T boys had crossed the goal-line three times. With this and their own problem of offense, the Baby Bison found themselves on the losing end of a 20-0 score. Enough said!

The boys got back on the winning trail in their third of the season. This time their victim was Bessemer Junior High of Greensboro. Bessemer dominated the first quarter and took a quick 6-0 lead on a reverse pass play. They fumbled on their extra point run. Then Coach Correll's crew, looking like

the champs that they are, really caught fire from this point and it was bye-bye Bessemer. Early in the second quarter, Gary Embler blasted over from the one yard line. And then on the extra point play, a fake kick and pass from Embler to Barry Cook put Ferndale ahead 7-0. In the third quarter Tony Gibson swept left end for 20 yards and another tally. The pass for the extra point was no good. Final score: Baby Bison: 19-Bessemer: 6.

Third Win

The Ferndale Baby Bison captured its third grid win of the 1961 season, by overcoming a tough Bessemer team by a score of 12-0. The game was tied at the half and it looked as if neither team would score. But late in the third quarter Mike Howington fell on a loose ball at the 40 yard line of Bessemer. From here Ferndale ground out yardage to the one yard line where Tony Gibson cracked in for the touchdown. The pass for the extra point was no good. Then in the fourth quarter Danny Norman recovered a Whippet fumble to set up a second Ferndale score, Gibson going in from the 6 yard line. Again the point after the TD was no good. This ended the scoring for the afternoon and Ferndale came out with a victory to run its record to three wins, two losses.

Lose Again

Ferndale lost its second game of the season to a strong Reidsville club. The Lion Cubs scored on the third play from scrimmage with a 60 yard pass play. The extra point was good, coming from a run off left tackle.

The third period was scoreless, but in the fourth quarter they scored twice, one TD coming from a 50 yard end run, and the other on a 35 yarder up the middle of the line. Both extra point runs were good. Final score: Reidsville 27, Baby Bison 0. Again, enough said!

Football Footnotes

Injury List: The Baby Bison suffered several losses of talent this year through injuries. End Paul Kindley, fullback Charles Duncan, and halfback Jim Caughman were the unfortunate gridgers. All were considered top-rate performers. Kindley sustained a pulled muscle in his right arm, Duncan received a fractured left collar bone, and Caughman broken his nose—Doing the kicking for the Baby Bison this year was end Barry Cook. Ferndale was outscored by its opponents this year by the score of 72-70.

Intramurals Ring Tennis, Football Wind Up With 211, 204 Winners

Homeroom 211 walked away with the school ring tennis championship after defeating homeroom 108, the 8th grade champions, with a final score of 36 to 12.

Both teams fought hard to defend the title they both well deserved. 108 displayed much teamwork as they tried in vain to pull ahead.

The final score, 49-28, left no doubt of 108 winning over 110 to become the 7th and 8th grade champions. Barbara Hayes and Jean Morgan helped pull their team ahead while Kay Bryson and Sue Connas urged their team to the finish.

After two out of three games 211 won the ninth grade championship over 210 with a close score of 41 to 36. Both teams showed good sportsmanship and hard work as each moved up the line to the championship.

108 captured the eighth grade championship by defeating room 3 with a score of 39 to 36. 108 worked together with excellent teamwork and racked up quite a few points for their team while room 3 remained hot on the trail only points behind.

The score showed an easy victory

for room 110 over room 6 for the seventh grade championship. Patricia Price and Joan Webb gave an outstanding performance.

Kitty Woodruff and Georgiana Gekas and Catherine West helped boost their team to victory.

204 Captures Homeroom Football Championship

Room 204 has captured the homeroom intramural football championship of Ferndale Junior High. In the championship game 204 overcame 205 by a score of 19-0. Scoring the TD's for 204 was Lance Manors, on a pass from Gibson. The extra point was scored on a pass from Manors to Gibson.

205 won the right to play in the championship by overcoming room 104 in the eighth grade championship by a score of 14-0, and in the seventh and eighth grade championship by beating room 111 13-6.

204 took the ninth grade championship by downing 209.

In the seventh grade championship 111 won over 112 in a hard-fought game. A pass from Ken McAllister to Jim Comer provided the score of 6-0.

TAG OR TACKLE

Bill Southerland

Tag or tackle, which is it in gym class? Some people seem to think it's tag part of the time while others believe it's tackle all of the time.

The equipment is very essential. It consists of a skimpy pair of blue shorts, and old ragged white t-shirt, and a pair of tennis shoes, usually a mismatched pair from a closet full of tattered, battered, and beat up "wings for flying feet."

The massacre begins with the kick-off. The receiving team, after retrieving the ball which has somehow bounced, flopped, or skipped past them, comes face to face with a mass of whooping and hollering blue shirted apes, more affectionately called those dirty cheats.

The first play is a thing of beauty. The two ends are supposed to go long for a pass with the line staying in to screen, but through some misinterpretation of the play, the whole team is out for a pass while the poor quarterback is being helped to his feet by four people who had tagged him with their shoulders at the same time.

Now we have a new quarterback, the old one having been taken to get painted up by coach and his sting ray. Our new quarterback is smart. He saw what had happened to the other quarterback. He calls for the ball to be centered to the halfback and let the halfback get smeared, oops, I mean throw a pass. This time it works and the whole team romps gaily down the field pushing and shoving, blocking and swing at anyone who gets in their way. The runner, through some fakey running and some good stiff arms, dances proudly past that hallowed white stripe while up the field battered, bruised, and lifeless bodies lie in small heaps all over the place.

Now that you've heard my story, I ask you, is it tag or tackle?
