

On the left in this picture is **CARL WEST**, warehouse manager at the Nelson Plant. He has been employed here 12 years. He is a sports car fan and a deer hunter and fisherman.

On the right is **JACK AUSTIN**, truck driver, another of our Nelson fisherman. He has been re-employed here 9 months.

These two are long employees of the Adrian. On the left is **ROSE CHILDERS** who is a spinner. She has three children and 2 grandchildren. She has worked here for 24 years. She enjoys playing with her grandchildren.

On the right is **ANNIE B. SIGMON** who has been with A & E 22 years. She cleans up in the spinning room. She has one son and one grandson, Charles. Her hobby is reading when she gets time.

Pictured are some of our newest employees in our newest dept., the paper shell bobbin winding dept. **PAULETTE BROWNELL** and **DIANA HORTON** are learning to thread the new machines.

This photo shows our new supervisor, **CLAUDE WRIGHT** of the Paper Shell Bobbin Dept. instructing Shirley Sisk on how to start the winding spindle.

ON THE SPOT Shots AROUND the PLANTS

GLENN BROWN, Carding Department Supervisor, is explaining the operation of the new Crosrol carding recently installed at the Nelson Plant to **DEWEY CRANE** and **KENNETH CHURCH**.

GLENN came to Nelson eight years ago from Cannon Plant #3 in York, S. C. A member of St. John's Lutheran Church in Hudson, he is also active in York Rite Mason Bodies and Past Master of the Blue Lodge.

DEWEY, carding tender, has worked here 7 years. He has 4 children and lives in Whitnel.

KENNETH, overhauler, has been employed here nearly a year. He attends Mt. Carmel Baptist Church. Sport cars is his hobby.
