 AROUND the PLANTS

Picture shows two new employees on 2nd shift inspecting and packing in our new bobbin department. Left is BERTHA WALL, and on the right, ALICE NORVILLE.

EDNA SWINK, a very efficient tube winder operator on the second shift, is shown here with supervisor, John Lowe. Edna has worked at the American Plant for five years.

RONNIS MORRISON, JERRY STALLINGS, WELDON WHITE and MARVIN WEATHERS, twister tenders, and ALBERT JENKINS, section man, all work on the second shift at Maiden Plant.

PAULINE TURNER and MARGARET SIDES are employed in Albemarle #2 and do a fine job. They are sisters. Margaret came to work in 1943 and Pauline in 1944.

Shown here are three of the Winder Tenders on the Second Shift at the Madora Plant. On the left is PEARL CUMMINGS. On the right in the back is EVA GOUDE and in front is MARY POINDEXTER.
