

**DARBY FARIS**, second shift Warper Tender at the Madora Plant. Darby has been with A & E for many years and is always careful to see that our beams meet the highest standard possible.

**LUNNIE ALLRED** and **FURMAN HARTSELL** are combers operators on 2nd shift in Albemarle Plant No. 3. Lunnie has been employed since April 1967, and Furman has been with A & E since 1953.

**NELLIE BOYLES**, first shift yarn layer at the Madora Plant. Nell must be sure to weigh each winder tender's yarn carefully to be sure they get credit for each pound they produce. Nell lives in Mt. Holly and has one son.

**GEORGIA BRASWELL** is a Winder Tender on the second shift at the Nelson Plant. She has 3 children and 11 grandchildren. She is a member of Calvary Advent Christian Church. Georgia will soon have been employed here 25 years.

**WALTER MOSS**, right, Supervisor and **JOHN BUMGARDNER**, Section Supervisor, are shown in the new Research and Development located at the back of the Madora Plant. This unit is a complete mill in itself.
