AROUND the PLANTS

ROSETTA WESTMORELAND and **LOUISE CABE**, second shift Lab Assistants at Textured Yarn Plant.

Rosetta, left, has been employed with the company for one and a half years. She and her husband, Kenneth, and their four children live in Alexis. They attend the Alexis Baptist Church. Rosetta enjoys reading.

Louise, right, has been with us for five and a half years. She and her husband, Thurman, and their three children live in Paw Creek. They attend Thrift Baptist Church. Her hobby—her family.

Pictured are **TED BELL**, **SANDRA HELTON** and **OLA ROBINSON**, all of the Production Control Department at Thread Sales. Absent when the picture was taken were Eddie Rick and Cliff Burdick.

Ted lives in Mt. Holly with his wife, Linda, and three children. They attend the North Main Street Baptist Church.

Ola Robinson attends the Lutheran Church and her favorite pastime is her grandson, Scott.

Sandra lives at North Belmont with her parents. All of these people together are responsible for seeing that our production orders go through as quickly and accurately as possible and they all do a fine job.

Pictured are two sisters who work in the spinning department at the Adrian Plant. On the left is **MAMIE MEEKS** who lives in Gastonia; she has one son. On the right is **BONNIE MEEKS** who also lives in Gastonia. She has 7 children. Their hobby is relaxing and watching TV.

ROSIA PRITCHARD and **TRESSIE HICKS** are spinners on the second shift at the Nelson Plant.

Rosia has 2 children and 8 grandchildren. She likes to work in the garden, especially among her flowers. She is a member of Center Grove Baptist Church.

Tressie has 3 children and 1 grandchild. She attends Temple Hill Baptist Church.

LOLEY THORNBURG is a yarn packer on the second shift. Loley came to work at Maiden Plant in May of 1967.
