

# Scholarship Help Asked

## We Can't Stop Here

May we bear in mind friends that our young people have resources that are priceless.

We are receiving gratifying reports from the girls given scholarships. They have exemplified initiative, sound character and excellent scholastic standards.

We are urging each club president, each club member and friends of the Federation Club Work to please give generously to the Scholarship Fund.

## We Can't Stop Here!

Without your support the Scholarships will not be able to continue. Let us ask ourselves these questions:

Are we doing our share toward helping some worthy girl to attain a college education? Are we giving freely to the Scholarship Fund? How may we continue giving aid to deserving girls if the output exceeds the intake?

We are thanking each of you for your past support and for the one hundred per cent support you are going to bring in at the 1960 state meeting.

May God give to you the vision to see the need of stronger support to the Scholarship Fund.

The following will receive renewed scholarships for the year 1959-60 as applied for. This has been approved by the president committee on Scholarship.

## Committee Reports On Scholarship

May 15, 1959

The Scholarship Committee held a brief meeting in one of the Conference Rooms of the Darden High School, Wilson, on the morning of May 15. Mrs. Edna B. Taylor presided.

There was some discussion of the scholarship situation which included a review of the list of persons receiving help from the N. C. Federation of Women's Clubs and the report on our financial status.

Due to the fact that money was not available for continuing the project, it was agreed that the committee would discontinue its aid until such a time when there were sufficient funds for the purpose. That meant that no additional names could be added to the list, at least for the present.

Mrs. Edna B. Taylor,  
Chairman

Mrs. Edna H. Mitchell,  
Secretary

Mrs. Edna Taylor of Pinehurst, N. C., senior supervisor and chairman on the Federation Scholarship Committee, announced during the Golden Jubilee Convention that she would retire from her work as a public school teacher, where she has guided the lives of many youth. We do hope for her the best and a continued service to federated causes.

## Resolutions Committee Report

The Resolutions Committee which met in the Darden High School conference room on May 15, 1959, makes the following report:

Be it Resolved,

1. That having come to the end of fifty years of service to the various communities of North Carolina, the North Carolina Federation of Women's Clubs take pride in its achievement and look forward to improving its organization for a higher type of service in the future.

2. That all 1958 resolutions be carefully considered, especially the one concerning the revision of the constitution.

3. That every federated club be urged to send a delegate or delegates to each annual meeting of the North Carolina Federation of Women's Clubs.

4. That a committee from each district shall recommend to the state Federation each year the persons who have done the most outstanding work in the district.

5. That each club shall put greater emphasis upon the Braille and Scholarship projects.

6. That as soon as possible after the registration of the greater number of delegates at any annual meeting, there shall be posted on a bulletin board a list of the names of the registrants, with the addresses and other information that may help the members to get acquainted as quickly and as easily as possible.

7. That the Federated Clubs of North Carolina meeting in Wilson, North Carolina, May 14-16, 1959,

consider seriously a program for opening the doors of industry to Negro women in North Carolina.

8. That a letter of appreciation be sent to the principal of the Darden High School, Wilson, for the accommodations offered during the 1959 meeting.

Committee:

Mrs. Edna H. Mitchell,  
Chairman

Miss Constance Young  
Mrs. Carolyn Ennis  
Mrs. Sarah E. Clark  
Mrs. Lucinda Williams  
Mrs. Horton (Edenton)

## President's Report

(Continued from Page 8)

Speaking of an increase in clubs reminds me that trophies were to have been awarded to the District having the greatest increase in the number of Junior and Senior clubs. The trophies were withheld until next year in order that the competition might be fair. It would be fine to hold a trophy realizing that a larger number of girls and women had been added to our Federation.

In closing may I wish for each of you health, happiness and a wonderful club year.
