PRESIDENT'S MESSAGE

(Continued from Page 3)

Following the Awards Night Program Dr. and Mrs. W. H. Dennis, Jr., entertained at a reception at the President's Residence. They will never know what their hospitality meant coming at the close of a day when there had been so little time to relax.

Attending the Biennial Press Breakfast gave opportunity to hear discussed by press representatives, "The Value of the Press and Ways in Which Clubwomen may Best Utilize These Services".

Two suggestions certainly made impressions: 1—Make greater use of press so that others may know about the wonderful work your club is doing; 2—give more attention to the writing of news articles. Good news is always published.

Impressive memorial services which included names of our de-ceased of our Federation along with others, the report of the Southeastern President, Mrs. Mamie B. Reese, a brief message from our National President, Dr. Rosa Gragg, various committee reports including one made by our Mrs. Esther D. Moore who was happy to give an account of the Life Memberships taken by our Federated club ladies and a report on the progress for our Federation on the Frederick Douglas Restoration Project made by your delegate were a part of the agenda for the second general

session of the convention.

Being entertained at the Officer's Club at the end of the tour was more than a pleasure.

At the final session of the convention reports from committees on budget and finance, youth convention, auditing resolutions, etc. gave a full agenda. Before departing representatives joined hands, sang "God Be With You", repeated the Mizpah and disbanded to meet in 1963 in Florida.

You will certainly be proud of knowing that our N.C. representatives were given the following appointments at the Southeastern meeting: Mrs. Esther D. Moore, Chairman of Life Membership Committee and Treasurer; Mrs. T. O. Satterwhite who served as
