PRESIDENT'S MESSAGE

(Continued from Page 7)

a judge of Art Exhibit, on the Nominating Committee and Chairman of National Notes for our Federation; Miss Ione Henderson who served with the Budget and Finance Committee; Miss Wilhelmina Crosson who not only served as Awards Night Speaker but was appointed on the Advisory Committee for the Frederick Douglas Memorial Restoration.

Among other facts revealed at the post meeting of the Executive Board of the Southeastern I learned that North Carolina's turn for entertaining would follow that of Florida. There are possibilities that we may exchange turns with Virginia since we entertained at Asheville out of turn.

Post Convention Tour

A large number of ladies who attended the Southeastern convention took advantage of the tour by chartered bus and will never regret doing so. Getting an early start without breakfast found us ready on arrival at the La Grange, Ga. Club House where the club ladies of La Grange and Americus greeted us cordially and served "brunch" buffet style. There points of interest were pointed out which made our tour through Andersonville National Cemetery more meaningful.

The opportunity to visit at Warm Springs and associate with it many facts which we had known in connection with the late Franklin D. Roosevelt certainly was meaningful. First came the limited tour of the Warm Springs Foundation then the Memorial Shrine—"The Little White House."

On the picnic grounds of the latter place visited the tourists were served a most delicious picnic lunch by the federated clubs of that area. Nothing was spared in the preparation, even Georgia peaches were included.

A picnic lunch at the end of the trip with Dr. and Mrs. Reece made the day complete.

Thank you again for making the trip possible for me. It is my hope that the interest of our Federated club ladies will increase so that the number attending out of state club meetings will grow. Planning a vacation at the time of such meetings will certainly increase the number.

Sorrowfully we learned of the death of the father of our beloved friend and co-worker, Mrs. Alice Collins of Smithfield. The Journal extends deep sympathy.
