Thank You God For Youth

Thank God for Youth with the strength to lift,
 And the will to serve, and the heart to pray;
 Thank God for the marvelous wonderful gift
 Of Youth today.
 There are paths to be straightened within our land!
 There are darkened ways that have need of light,
 Thank God for the Youth of earth who stand
 Foursquare for right.
 There is need for a vision of undimmed eyes;
 There is need for hands that are clean and strong;
 For backs that are straight, and hearts that are wise;
 For lips with a song.
 Thank God for Youth with its latent powers;
 Thank God for the Youth that yet many bring
 Out of these failures that have been ours
 Some better thing.

If Your Garden

If your garden is not growing right
 Take a stock of soil, water, cultivation.
 Don't blame the seed.
 If your machine will not run smoothly,
 Don't blame the maker.
 Just check the type of oil you use.
 If your lights seem dim
 Just clean the globe,
 Don't blame the power plant.
 When cultivation has been done right -
 Oil of right weight used -
 Globes made to shine,
 Then just remember that only God can blame
 and only your God can praise -
 Because he holds the canvas while you use the brush.
