To Close Club Meetings

In the last annual session of the N. C. Federation of Negro Women's Clubs it was voted that each president will use the "Collect of Club Women of America" to close all club meetings. It has been printed here for your convenience.

COLLECT OF CLUB WOMEN OF AMERICA

Keep us, O God, from pettiness; let us be large in thought, in word, in deed,

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face without self pity and without prejudice.

May we never be hasty in judgment and always generous.

Teach us to put into action our better impulses, straightforward and unafraid.

Let us take time for all things, make us grow calm, serene, and gentle.

Grant that we may realize it is the little things that create differences; that in the big things of life we are as one

And may we strive to touch and to know the great common woman's heart of us all; and, O Lord God, let us not forget to be kind.

—Miss Mary Stewart, Colorado

of the Southeastern Convention in Florida and explained the use of the \$92.81 collected for that purpose. Of the eight states making up the Southeastern Region North Carolina ranked lowest in its financial contributions to support the objectives of the region. N. C. is as active at home, as any state, but weak in her affiliations both regionally and nationally financially. The plea is for at least five dollars from each club annually.

V Special messages from many members had to be absent. Mrs. A. B. Byrd, chairman of board was absent due to illness of her husband. The President, Mrs. Spellman, presided.

The hospitality of the host ladies was highly appreciated.

During the dinner hour the youth group reported on their actions and the Senior group summarized their actions. Comments were made and agreed upon that will be more fully known later. — Editor.
