Durham at Siler City.

Durham swept the deck at Siler City Fair. She met the enemy and he was her's—two gold medals, and the praise of all. The clever Captain R. B. Saunders represented the Durham Fertilizer Company. The Bull fertilizer won the gold medal offered for a fertilizer best adapted to the growth of corn, wheat and tobacco. This fertilizer will be more largely used in the State and out of the State next year, than during any previous year. The people appreciate its merits.

Mr. L. G. Cole, represented R. F. Morris & Son. This company had a handsome display of tobaccos and snuff and was awarded a gold medal for same. If reports are true, Mr. Cole represented his house in a happy and intelligent manner. The goods of this firm are honest and eagerly sought by the home and foreign markets. Durham does the handsome thing on all occasions. It is her way, has become a habit, and she can't help it.

Kind Words.

The Pittsboro Home says of two Durham Representatives at the Siler City Fair:

Our old friend, Capt. R. B. Saunders, was on hand representing the Durham Fertilizer Company. Since he has been general manager the capacity of the establishment has been more than doubled. It has the best machinery in the South, and for corn, wheat and tobacco, its brands are unsurpassed by any sold in the State.

R. F. Morris & Son had a very handsome display of smoking tobacco and snuff. Mr. L. G. Cole, a Chatham boy, represents this house in a polite and intelligent manner. We are glad to recognize in him a young man of good morals and high business qualifications.

Another Irish Editor Sentenced.

DUBLIN, Dec. 8.—Elwin Harrington, M. P., was tried in Tralee Court to-day on the charge of publishing in his paper reports of meetings of suppressed branches of the National League. The defendant's solicitor objected to the proofs offered of his client's guilt, but the magistrate overruled the objection. The solicitor then withdrew from the case. Mr. Harrington was found guilty and sentenced to one month's imprisonment, without hard labor. Notice was given of an appeal from the sentence.

Gen. Boulanger to be Minister of War.

PARIS, Dec. 8.—It is stated that M. Goblet, who has undertaken the task of forming a ministry, intends to demand that Gen. Boulanger shall be minister of war. M. Paul de Roulede has resigned the presidency of the Patriotic League because of a disagreement with the executive committee in relation to his action during the Presidential crisis.

Congress Adjourns Till Monday.

WASHINGTON, Dec. 8.—SENATE.—After the reading of the journal and presentation of a few department communications, the Senate, on motion of Mr. Farwell, adjourned till Monday next.

WASHINGTON, Dec. 8.—HOUSE.—The House adjourned at 12:20, until Monday, after the introduction of a few resolutions relating to amendment of the rules.

Old Bruin.

We are told that portions of Waccamaw township in Columbus county are infested with bears to such an extent as to cause great annoyance to the people. Their ravages have been committed mainly near where Waccamaw River enters Green Swamp. They have carried off considerable quantities of stock and although the hunters have killed eleven bears in that vicinity within the last month, the depredations of these animals continue. It would be a good place for some of our local Nimrods to go and try their skill.—Wil Review.
