Messrs. Western Bros., and their magnificent Comedy Co., appear at Stokes Hall to night, for the repetition of that delightful Comedy, entitled, "The Way of the World." We have heard more expressions of any form all expert case of the parameters of the company of the parameters of tled, "The Way of the World." We have heard more expresssons of appreciation by those who attended when the Company was here during Christmas week, then of any Company before them, or since.
