

WHAT DO YOU KNOW ABOUT ANIMALS?

by
Ruby Hodges and John Hunt (5th)

1. Which animal in the jungle does not make a sound?
2. Which animal has poor eye sight and has a bird to guide him?
3. Which animal has no feet but can move at good speed?
4. What animal has no teeth but strains his food through five hundred thin bones?
5. What animal is king of the jungle?
6. What animal's skin is two inches thick and has no hair on it?
7. What is the bravest animal in the jungle?
8. What animal can swim across a strait forty miles wide?
9. What bird's egg weighs five pounds?

(After you have answered as many as you can, check your answers by the correct answers at the bottom of this page.)

DID YOU KNOW THAT:

1. Monkeys have four hands.
2. Monkeys like company
3. Camels have bad dispositions.
4. Camels are very stupid.
5. Camels rock so much it often makes one sick to ride them.
6. Camels eat anything, even mats, umbrellas, and newspapers.
7. Giraffes are intelligent.
8. Giraffes' spots make them hard to see.
9. Giraffes' eyes stick out so far they can see all around and even behind them.
10. Giraffes are very swift runners.
11. Giraffes have one wild enemy---the lion.
12. Black bears like to be alone.
13. Elephant babies get milk at their mother's front legs instead of at the back legs.
14. Elephant babies run between their mother's legs in time of danger.
15. Elephants have a chief. He is the oldest and biggest elephant.
