It is avout timo for Zim st. to blay off in the sumifimals in soccer. If wo defert Jomson st. We are schoduled to pley Cloverdale for the chamionsinip of the city. It secms that a lnre part of the first tem is mure intorestoc in maples then in soccor at the present time. In fact, Ir. Hortioy stated at aractice gene that if thoy did not take more interest that he would have to chooso some now jlayers.

The basebill season is almost here and of course wo rant to koop our softball chemionship bup thet was won by our sixth graters last yerr. So come on and holn good old Elm St. play bail Eddie Hetcher, issociate Siports Editor
everyone can tell that spring is here bit the many murble games in progress. On many occasions rucontly I heve noticed that hoys havo been eiven pormission to play aftcr sehool hours

At the momine and noon rocess the cirl patiols mave bero helping to organizo ganos with chatren of the tilst thre grados. Mr. Hartior supurvisos games with the sijuth and futh grade boys and girls on Pondiys. Wo unjoy tiose gerace yeum mich In fret, I think our schonl is very med intorostod in nil types of gemos, ac a ruadiy by soci if yod visit our sencol fol ${ }^{2}$ dey.
