BOY SCOUTS

The Boy Scout organizations of High Point are doing real work again. Many of the Scouts are passing off their tests daily and hardly a week passes by without a band of Scouts taking a hike. The boys are proud to be Scouts now more than ever before. They have competent men who are standing by them.

The Boy Scouts of Troop No. 3 are doing active work in their gymnasium. Other troops have baseball teams in the field. The boys are making of themselves real Young Americans.

GIRL RESERVES

The Girl Reserves in High Point are a branch of the Y. W. C. A. They are prepared for anything that they may be called upon to do. They work for the betterment of the country.

The Girl Reserves stand for truth, loyalty, service, love and for the Christian religion. They are doing a great work everywhere.

The girls of High Point are getting well organized and are beginning to do their splendid work. They are now waging a campaign to gain funds for the summer conferences where they will make plans for the next year. They are on the job all right. They have a booth at the big Chautauqua tent.
