

Buds AND Blossoms

By
MAMIE MILLER

"I saw by night, and behold a man riding upon a red horse, and he stood among the myrtle trees that were in the bottom; and behind him were three red horses, speckled and white . . . And the man that stood among the myrtle trees answered and said, These are they whom the Lord hath sent to walk to and fro through the earth. And they answered the Angel of the Lord that stood among the

myrtle trees, and said, We have walked to and fro through the earth, and behold, all the earth sitteth still, and is at rest."—Zachariah 1:8-11.

The myrtle grows into a small evergreen tree—20 to 30 feet high. It is more often a straggling bush, 1½ to 4½ feet high, according to its environment.

Its wood is hard and mottled, often knotty but highly valued in turnery. Its fragrant leaves and black berries are used to make perfume and sachet powder.

The Jews use it today at the Feast of the Tabernacles. In the Scriptures it is referred to as a symbol of divine generosity. It is recorded in the Scriptures that when Adam was expelled from Paradise he was allowed to take with him wheat, chief of foods; the date, chief of fruits; and the myrtle, chief of scented flowers.

Fertilize rose bushes. Spray nicotine sulfate for aphids. Malathion will control scales on azaleas. If you have gladiolus thrips, use DDT

BARBECUED TURKEY FOR OUTDOOR EATING — If your group is planning an outdoor get-together, barbecued turkey is a natural for serving a large group cook-out. It's different and delicious. Turkey is reasonably cheap at this season and nothing could make a more elegant meal than juicy barbecued turkey.

The essential ingredients are young, tender turkeys combined with slow cooking to make sure that the birds are done all the way through. Ideal weights are turkeys of about four to six pounds. Split

The extreme silhouettes, which are often not too becoming to adults, look wonderful on children. The chemise helps to hide a pot tummy, something all little girls have in common. On mother, it often hides a slim waist and only serves to call attention to her hips—which may be a little large.

The trapeze is made to order for young children. In fact, they have been wearing something very similar to this for many years.

Panties to match are coming back. The only wonder is that they ever went out of children's fashions.

Youngsters take clothes seriously. Any bright first or second grader can tell you exactly the kind of dress she wants for school or some special event.

Suits for the young set have been popular for the last couple of years, and it seems a suit has become as important an item with little girls as with big girls.

Costume jewelry designers tell us that the sale of children's trink-

ets is higher than ever before. Good jewelry that grows with the child is another popular item.

In the past a string of pearls to grow was about the only type of this jewelry available. Now we

or chlordane, dieldrin, toxaphene or lindane to control them. Consult your local seed man about these products.

"The Lord God planted a garden In the first white days of the world, And He set there an angel warder In a garment of light unfurled. So near to the peace of Heaven That the hawk might nest with the wren; For there in the cool of even' God walked with the first of men.

The kiss of the sun for pardon, The song of the birds for mirth— One is nearer God's heart in a garden Than anywhere else on earth."

—Dorothy Francis Gurney
