

Development Egg Products

New developments are taking place continually at the research stations throughout the nation. A number of new poultry and egg convenience products have been developed recently by one of the stations.

The products have been aimed at great variety, time-saving and ease of use to increase consumption of poultry and eggs. Here are some of the products that will be tested on the market in the near future:

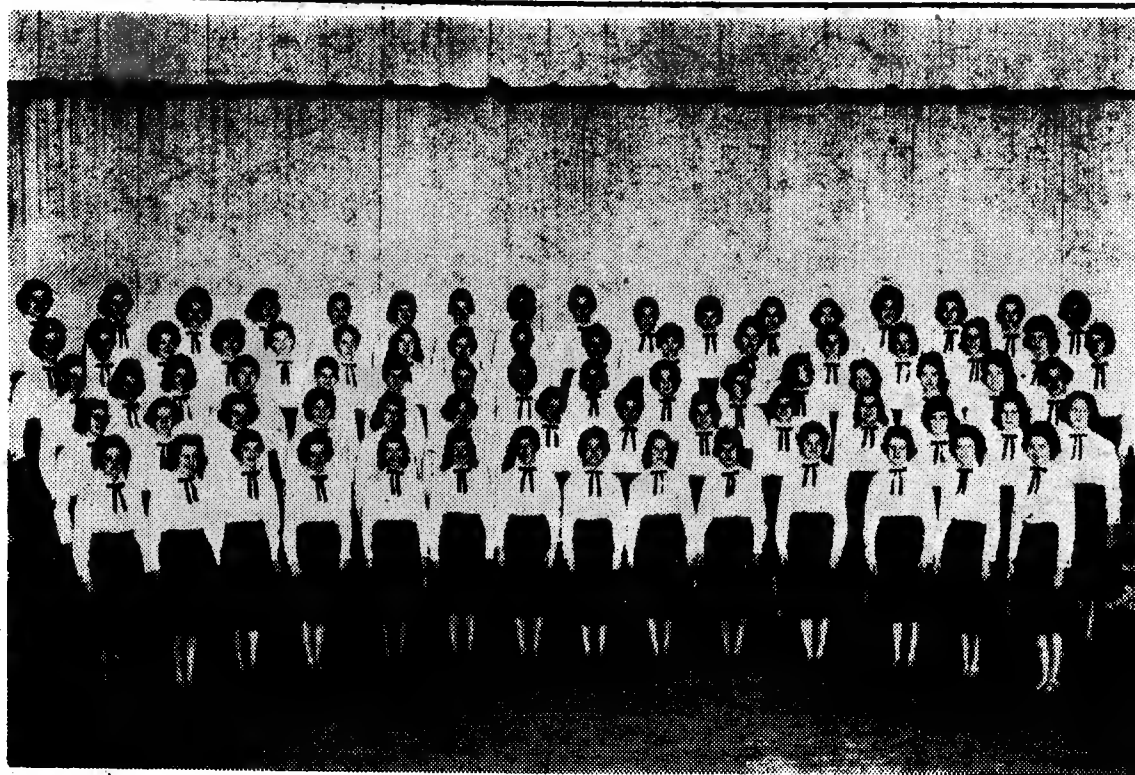

1. Frozen French Toast—This product offers both convenience

Wherever thirsty people are...

MUSIC IN THE AIR—New Bern High school choir, girls glee club, and boys club present their Pop Concert Friday night in the modern and spacious high school auditorium, under the direction of Donald Smith. The groups have a state-wide reputation for excellence. Seen here is the girls glee club. Curtain time is 8 p.m.

Jean Marshburn and Louise Whitty are pianists for the girls glee club, while Donna Brent accompanies the boys glee club. Eloise Stillely is the

pianist for the choir.

Solists are Carol Nelson, Frances Fulford, Florence Pollock, Jane Knowles, Jimmy Phillips, Doug Braddy, Larry Heath, Charles Adams and Clyde Gible, Janeth Hill, Jimmy Leathers, Bob Williams, and Priscilla Jenkins.

Comprising the boys octet are Jackie Zaytoun, Nelson McDaniel, Jimmy Phillips, Phil Steiner, Clyde Gible, Doug Braddy, Henry Smith and Ikey Holton.

and variety. Each slice contains a half egg. To prepare for eating, simply put slices in the toaster.

2. Young Roaster—Excellent roasters which weigh about 3½ pounds are suited to the family of three or four, are extremely tender and obtained from the heavier birds of broiler flocks.

3. Kid's Pak—Twelve small eggs in a container offered for children. This pack is aimed at better merchandizing of small eggs.

4. Family Pak—Four large eggs

for Mom and Dad along with eight medium or small eggs for the children.

5. Chicken Loaf—A sandwich loaf, made from heavier birds, that can take its place along with the many popular meat-loaf products on the market.

6. Chicken Bologna—Another use for heavier birds is this cold cut with a definite smoked flavor.

7. Chicken Frank—A new member of the hot dog family, the chicken frank will get its try-out some time this summer. This is a low-fat, high-protein food
