Persons interested in flower shows may enjoy some of our nearby cities on a day's tour. Williamsburg Garden Symposium at Williamsburg, Va., will be open March 17-22. Tide water Virginia Daffodil Show will be at Homer L. Ferguson High school March 30-31. The European spring garden tour will be led by Popular Gardening's Henry E. Downer. This will leave on April 4 from New York City.

The Loumac Chemical Company, Box 8382, Chattanooga, Tenn., has a weather-proof pellet that repels dogs for eight weeks in your garden from garbage cans, shrubbery and flowers. You get 100 pellets for \$1.00. This will save a lot of fussing.

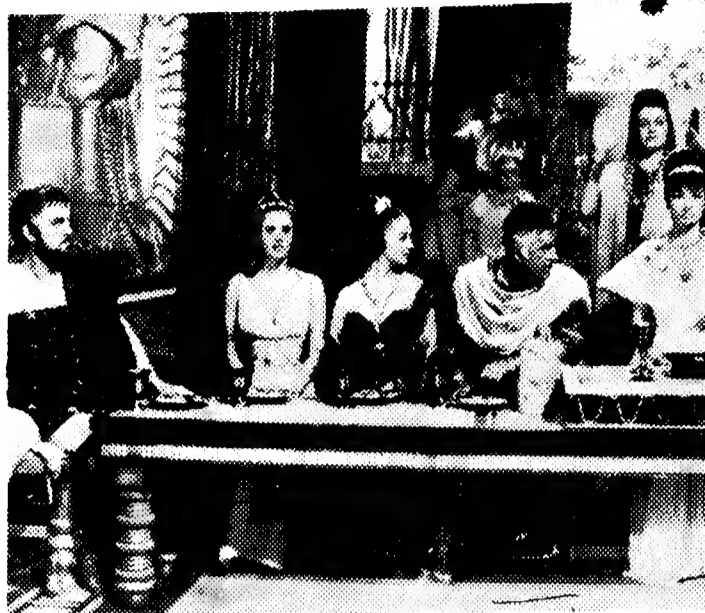

Try some new prolific hybrid lilies--Golden Wedding, Burgundy, Bronzino, Enchantment, Prosperity, Destiny, Harmony, and Paprika.

If you love the "Peace" rose, which is very beautiful, you will enjoy the new Peace which

In a lavish palace scene of "Sodom and Gomorrah" are seen the five stars of the multi-million-dollar Biblical spectacle, from left to right, Stanley Baker, Rossana Podesta, Pier Angeli, Stewart Granger and Anouk Aimee. Filmed in De Luxe Color on locations in Morocco and in Rome, "Sodom and Gomorrah" is a Titanus production, directed by Robert Aldrich and released by 20th Century-Fox, set to open Sunday at the Tryon Theatre.

is "Lucky Peace". "Peace Port" is another gorgeous, bright salmon pink.

There is a new Tralling Mum Vine available. You may train these any way you like. Grow then indoors for a lot of color.

This week's Buds and Blossoms poem, from the pen of R. O. Laughlin, was written after a visit to the Tomb of the Unknown Soldier in Arlington National Cemetery:

I do not understand....
They bring so many, many
flowers to me--
Rainbows of roses, wreaths
from every land;
And hosts of solemn
strangers come to see
My tomb here on these quiet,
wooded heights.
My tomb here seems to be
One of the sights.

The low-voiced men, who speak
Of me quite fondly, call me
"The Unknown";
But now and then at dusk,
Madonna-meek,
Bent, mournful mothers come
to me alone
And whisper down--the flowers
and grasses through--
Such names as "Jim" and
"John".....
I wish they knew.

And once, my sweetheart came.
She did not--nay, of course
she could not--know,

BEARPLAY . . . "Frank," cautious polar bear at Denver, Colo., zoo, watches his mate, "Sophia," dive into the pool. After she reported the water was cold enough, Frank joined her.

Yet, glowing flaming so...
She won't forget.

CANCER EFFORT

Lansing, Mich.--The Michigan Health Department plans to seek a patent on an organic compound it says has produced good results in treating two dogs afflicted with cancer.

The dogs were brought to the department in December. They were given a week or two to live, but both are still alive and apparently healing.
