

# Mirror Mirth

Usually a woman doesn't call another woman "sister" until she has called her a lot of other things.

It seems to us that the most successful marriage imaginable is one where the wife is the boss and doesn't know it.

The one thing a road map doesn't tell you is how to fold it up after you get through studying it.

Maybe those guys who shout radio and television commercials think there are at least a thousand people in your living

room.

Philosophy helps us to view misfortune more calmly, and thereby be unhappy more intelligently.

If people have intelligence superior to dumb animals, why do they elect people with inferior intelligence to govern them?

Trying to find a wife who doesn't nag her husband at least part of the time is as hopeless as a bowlegged wrestler trying to apply the scissors hold.

A fern is a plant you're supposed to water once a day, but when you don't it dies, but if

you do it dies anyway, only not so soon.

The trouble with drunks is that they drink like a fish, instead of drinking only what a fish drinks.

We say that we're in the midst of a depression whenever we have to do without things that our parents never had.

Don't complain about the noise made by those romping kids in the apartment overhead.

If you were in Holland they would be wearing wooden shoes.

As best we can figure out, conscience doesn't stop you from doing something. It just keeps you from enjoying it.

# Compare. We Have Nothing To Hide.

Even after you've picked out the make and model of a new car, you still shop around among dealers to see who'll give you the best prices.

And you should do the same thing with financing. Ask the man straight out to give you figures to compare with The Bank of New Bern's. If the truth hurts, let it hurt him, not you.

To make comparing even easier, we've included in this ad a wallet-size Bank of New Bern rate chart plus three blank charts for you to fill in when you go money-shopping.

You know all there is to know about The Bank of New Bern's new car loan rates. (And we've got some very nice late-model used car rates, too.) So compare. Even if you haven't done business with us before, our loan people are waiting to hear from you.
