Compare.

We Have Nothing To Hide.

Even after you've picked out the make and model of a new car, you still shop around among dealers to see who'll give you the best prices.

And you should do the same thing with financing. Ask the man straight out to give you figures to compare with The Bank of New Bern's. If the truth hurts, let it hurt him, not you.

To make comparing even easier, we've included in this ad a wallet-size Bank of New Bern rate chart plus three blank charts for you to fill in when you go money-shopping.

You know all there is to know about The Bank of New Bern's new car loan rates. (And we've got some very nice late-model used car rates, too.) So compare. Even if you haven't done business with us before, our loan people are waiting to hear from you.
