FIRST AID TIP: In case of a fall, stop any bleeding and cover wounds with clean dressings. Keep victim comfortably warm to prevent shock. If fracture is suspected, do not move patient unless absolutely necessary (as in case of fire). Immediately call a physician or rescue squad.

LAUNDRY TIP: Did you ruin your newest blouse at work with an ugly ink stain? Before laundering spray the ink stained area thoroughly with hair spray, then launder. You may wish to add a extra cleaning detergent if the stain is extremely bad.
