Dr. Doster to speak at Kitt Swamp

Dr. Harold C. Doster, President of Atlantic Christian College, will be the guest speaker at Kitt Swamp Christian Church in Askin on Saturday, Nov. 18 at a prayer supper beginning at 6 p.m. The public is cordially invited to this very special service.

When the trustees of Atlantic Christian College, a church-related college in Wilson, offered the responsibilities of the presidency in the summer of 1977, it was fitting that they were entrusting leadership of the institution to a man who has long recognized the value of Christian education.

Dr. Doster came to Atlantic Christian from Cluver-Stockton in Canton, Mo., a church related institution, which he had served as president from July 1, 1973 until assuming his

present position. As ordained minister in the Christian Church, Dr. Doster is a member of the Regional Board of the Christian Church in North Carolina.

Nationally, he served as a member of the executive committee of the Church Finance Council of the Christian Church and on the executive and development committees of the Board, now called the Division of Higher Education of that body. He presently is chairman of the Council of Liberal Arts Colleges for this division.

Dr. Doster earned his M.A. and Ph.D. degrees from the University of Michigan, holds a B.D. degree from Yale University and received his B.A. degree from Bethany College in West Virginia.

He served as a student

minister in Ohio while attending college, later was an assistant pastor and youth director in Connecticut and served two terms as pastor of the Shade Valley Pastoral Unity of Christian Churches in Ohio, a home mission project of the Ohio Society of Christian Churches. His first position in higher education was as Director of Church Relations and ministerial Training at Bethany College. He later served as Assistant to the President, Executive Dean and President at colleges in Kentucky, West Virginia and Missouri. Named to Outstanding Young Men of America in 1966, Dr. Doster has since been cited in Who's Who in the East, Midwest and South,

Dr. Doster is the father of four children.

QUICK RESPONSE--Firemen from Township 9 Fire Department respond almost immediately to put out truck fire on Spring Garden Road. No estimates of damage were available.

Truck burns

Spring Garden--Mrs. Daniel Talvocchio of Route 2, New Bern was traveling on Spring Garden Road when her truck stalled. She and her children abandoned the vehicle on the shoulder of the road as smoke billowed from under the hood. In minutes, the Township 9 Fire Department was on

the scene and quickly doused the fire. Assistant Fire chief Warren Nobles, first on the scene, directed a bucket brigade which kept the blaze under control until other firemen arrived. The Talvocchio vehicle suffered extensive damage.

Honor roll at Farm Life

The following students were placed on the Honor Roll at Farm Life Elementary School for the first grading period. Their names were left off the list that appeared in last

week's paper: Mrs. Averette's 3rd grade, Sandra Fillingame, Catherine Hudson, Tracy Ipock, Susan Nobles and Byron Yeager.

McCoy in Sno-Do

by Johnny Waters

Lisa McCoy, Junior Civitan Governor of N.C. District East, has been invited to participate in the 4th Annual Great Canadian Challenge Sno-Do Event hosted by the Canadian West Junior Civitans. The event will be held January 21, 1979.

A sno-Do event is run much like a bike-a-thon or a walk-a-thon, except that the participants ride a snowmobile over a prescribed 100 mile course. The participants raise money by obtaining pledges for each mile they complete.

Lisa is currently locked in a battle with other Junior Governors from the United States and Canada to see which district can raise the most money in pledges. All money raised will be given to the National Association of Retarded Citizens and will apply towards the Junior Civitan pledge of \$30,000 to be

Last year the twelve Junior Civitan Governors that took part in the "Challenge" raised more than \$20,000. Lisa needs the full support of merchants and individuals interested in helping to prevent mental retardation if she is to "meet the Challenge."

Pledges can be sent directly to the Junior Civitan Governor at the following address: Lisa McCoy, P. O. Box 168, Cove City, N.C. 28523. Please make checks payable to the National Association for Retarded Citizens of NARC.

Let's really really help Lisa. Make your pledges now.
