If you get a burn, the best first aid treatment is to apply water or cold compresses or ice over the burned area for at least a half hour. Skip the grease. It just causes problems.

Jackie Waters is the first female ambulance driver in Craven County.

challenge every day she arises. Contrary to her outward appearances, Jackie is not a cold-hearted person. She has to keep a slight degree of indifference in her field of work. Once one gets to know Jackie, they too can see that she is a very warm person. She knows how it feels to walk in someone else's shoes. Perhaps we can understand Jackie when she says, "I would be the first to admit

that I can't handle all emergency situations, so before I roll on an alarm, I say a little prayer to God to be with me."

Jackie Waters, an ambulance driver, E.M.T. and firefighter is a woman who takes on the challenge of a man's job, yet remains a gentle, compassionate woman. She is an inspiration for others to be what they are capable of being.

Words

"The," is the most commonly used word in written English. "of," is the next most-used, followed by "And," "A," "To," "In," "Is," "You," "That," and "It."

Laugh out

"I shall have to give you ten days or \$20," said the judge.
"I'll take the \$20, Judge," said the prisoner.
