MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions - horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off the list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.

BEST-SELLERS Sol.: 10 letters
