

Grad Nite 82 For West Craven Seniors

West Craven Seniors are planning a trip to Disney World in May. Students will be entertained at the Disney World Park all night on May 14th and attend a Senior Banquet in the Tomorrow World.

Up to 41 Seniors at West Craven will be eligible to attend the Grad Nite 82 event. The number is limited to the number of seats on the bus. Seniors are being asked to see the trip coordinator, Mr. R. L. Cannon in Room 172, or call 244-0325 by Friday, April 9th to reserve a seat. The space is allotted on a first come, first served basis.

This is a once in a lifetime event for these Seniors and they are encouraged to take this three day trip to Disney World. Several points of interest will be seen along the way.

Carolina Notes

CHAPEL HILL, N. C.-Carolina was the only school in the nation to finish in the Top Ten this year in both football and men's basketball.

Dick Crum's football team was ranked eighth and ninth in the final wire service polls. Dean Smith's basketball squad was ranked number one in both of the final polls and, of course, went on to capture the NCAA championship.

This marks the second straight year Carolina has finished in the Top Ten in both football and basketball. The Tar Heels were ninth and 10th in the final 1980 football polls and sixth in the 1980-81 basketball rankings. Only Notre Dame managed to equal that same feat last year.

When guard Jimmy Black took the court against Georgetown in the NCAA championship game, it marked the 127th game of his Tar Heel career. That's the most games in which any Carolina player has ever taken part. Al Wood held the old record of 126.

Black also took part in more victories than any player in Carolina or Atlantic Coast Conference history.

Carolina's 63-62 victory over Georgetown last Monday pushed the Tar Heels' record to 105-24 in Black's four years in Chapel Hill. Black played in 104 of those victories. He missed two games, a victory and a defeat, in his sophomore year because of the death of his mother.

Carolina's 105 victories in the past four seasons are the most any ACC school has ever had in a four-year stretch. The 61 wins the Tar Heels have had in the last two seasons are also an all-time two-year high for an ACC team.

James Worthy finished his junior season with career totals of 1,219 points, 620 rebounds and 208 assists. The only other Carolina players to score 1,200 points, grab 600 rebounds and have 200 assists in their careers were Larry Miller, Charlie Scott, Bobby Jones, Walter Davis, and Mike O'Koren.

FFA Land Judging Meet

South Lenoir High School was the site of the 28th North Carolina FFA Land Judging Meet on April 3, 1982. Forty FFA teams competed for an expense-paid trip to the National Land Judging Meet to be held May 5-6 in Oklahoma City. Plaques and other awards were also provided for first and second place teams in each of the eight FFA districts as well as to high scoring individuals.

The State Land Judging Meet provides an opportunity for FFA members to demonstrate their knowledge and understanding of soil characteristics as well as the uses and limitations of land for both agricultural and urban purposes.

The Meet is sponsored by the North Carolina Bankers Association and Carolina Power and Light Company in cooperation with the North Carolina Department of Public Instruction, the North Carolina Agricultural Extension Service, the Soil Conservation Service and the North Carolina Soil and Water Conservation Commission.

Representing this area was the West Craven FFA Chapter from West Craven High School. Team members include Paul Edwards, Kaye Brown, Lee Kirkman, and Eddie Godley. Their Vocational Agricultural teacher is Henry Pasour.

West Craven Competes In Coastal 3A Cheerleaders Competition

West Craven's Varsity Cheerleaders Sherri Blalock, Wendy Adams, Nichole Prevast, Barbara Coward, Ellen Pate, Pam Register, Jodie Walker, and Sarah Neilson put on a fine performance for the judges but they were not destined to be a first place winner but did place third. The first place 3A Conference title went to West Carteret Patriots.

West Carteret scored 294 points out of a possible 300 points.

The schools participating the Conference event were West Craven, Havelock, West Carteret, North Lenoir, and D. H. Conley.

The procedure for the competition was a signal from the Master of Ceremonies and then a four minute routine without the use of pompoms, music or props.
