

FORT BARNWELL HIGHLIGHTS

The Bulletin

By MRS. B.H. MITCHELL

Easter has come and gone for the year of 1982. Its meaning to the masses may be different in many ways and yet most of the people in the Christian world look forward to the return of Easter.

What do we see and hear during the Easter season?

We see people in the Christian world preparing messages and lessons about the death and suffering of Jesus Christ who lived and died to save us from our sins. Christians learn to keep the faith in His coming back for those who believe in His teaching.

Plays and pageants, songs and poems, all before and after the week-end of Easter, were shared in most communities.

A second look may be at parents and friends preparing to make someone happy and joyous. New clothes, new gifts, a special meal or an egg hunt and many other games to please are awarded to many at Easter.

A third look may be at our neighbors moving out to the job that lends support to the families in the community. Some are doing well and seem to be moving about calm and peacefully. Others are in doubt about their jobs while others are looking for jobs. Peace is not easy to be seen with these neighbors even at Easter.

The farmer, the logger, the lawyer, the teacher and many others have come short of the means to supply the many needs that face them today.

One thing that made many people scratch their heads were income taxes on April 15th. That is as sure to come as Easter, but we seem to dread that date on our calendar.

To make our view clearer, just listen to the echoes and soon we'll be looking for Easter and tax time again and we must keep our faith in Jesus Christ and believe He can guide us aright in spite of the threat of

war and poverty in this great world and country that we live in.

The pastor and members of St. John A. M. E. Zion Church of Ft. Barnwell will observe their quarterly meeting service on Sunday, April 25. They are inviting their many friends to share the services with them. Rev. W. H. Johnson is pastor.

Ft. Barnwell lost one of its well known citizens on April 11th. She was Mrs. Mittie White Burney. She lived in Ft. Barnwell most of her life and was well known for her kind and friendly manner to family and friends in the community.

She was a faithful and dutiful member of St. Edwards F. W. B. Church for many years and had served on the Mother Board for many years.

Mrs. Burney lived with her granddaughter, Mrs. Addie B. Harris of Ft. Barnwell, for a number of years.

Rev. W. H. Johnson and members of St. John A. M. E. Zion Church of Ft. Barnwell will celebrate the Women's Home and Foreign Mission Day, Sunday May 2, 1982 at 4:30 p. m.

Rev. Hazel Mattocks of Hubert, N. C. will deliver the sermon and Mrs. Rozella Jackson of Cove City, N. C. will be a guest speaker. A union choir will sing.

All pastors, members and relatives, and friends are cordially invited to attend.

Mrs. Ethelene Williams and Mrs. Clemmie Jackson of New York, N. Y., were the guests of Mrs. Bertha Brooks during the week-end. They attended the funeral of Mrs. Mittie Burney and Mr. Robert L. Rosenburg, Jr., and Mrs. Margaret A. McCoy while they were in the Ft. Barnwell area.

CONSTANT COMMENTS

Summertime when living is easy, we're often asked, "What's the best way to make iced tea?"

If you follow these four easy steps, you'll get what we think is outstanding iced tea:

1. Bring 2 quarts of water to a boil in a large pot.

2. Remove from heat and add 6 of your favorite Bigelow teabags. Try Constant Comment, the original orange-and-spice tea, Plantation Mint or Lemon Lift. If you prefer herb teas, sip Nice Over Ice, a special blend for iced tea or try Orange and Spice, our newest herb tea.

3. Cover and let steep 15 minutes. Cool at room temperature before refrigerating.

4. Serve with lemon and sugar in ice-filled glasses. Garnish with an orange slice or a sprig of mint.

Cloudy iced tea? Just add some boiling water to clear.
