National Award Winner

The United States Achievement Academy has announced that Victor Thomas Jones, Jr. has been named a 1982 United States National Award winner in Business Education.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 5% of all American high school students.

Victor, who attends West Craven High School, was nominated for this National award by Mrs. Shirley Eriksson, a Business Education teacher at the school.

Victor will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Victor is the son of Mr. and Mrs. Victor T. Jones. Grandparents are Mrs. Doris S. Toler of Ernul, N. C. and Mr. and Mrs. Fred T. Jones of Vanceboro, N. C.

Oak Grove Ladies Auxiliary

By Barbara Forrest

The Oak Grove Ladies Auxiliary met Tuesday night, June 8, in the Powell Fellowship Hall. Mrs. Pam Sasser delivered the lesson to the members.

The benevolence committee reported several sick in the neighborhood and it was decided to pass around get-well cards for these persons, allowing each member present to sign the cards.

The Auxiliary accepted a love token given in memory of Mrs. Glennie Kite.

Mrs. Harriette Stocks reported that the YFA is making plans for a trip to an amusement park and possibly a camping trip also. The youth group was said to be enjoying their practice singing sessions. The group hopes to present some special music to the church soon.

The Senior Citizen's Dinner, held Saturday night, June 6, was considered a great success and an enjoyable annual event. Members were reminded of Bible School, beginning June 14-18, at 7:00 each night.

Mrs. Barbara Forrest suggested making plans for some type of money making project. The Auxiliary agreed that having a dinner and selling plates would serve as a good project to consider in the Fall. B. Forrest also presented a new scrapbook to the ladies, upon which inside has been placed the register of the Third Annual Senior Citizen's Dinner.

Mrs. Shirley Adams provided refreshments for the enjoyment of the members afterwards.
