Rehearsal

Party

On Friday night, October 8th after the wedding rehearsal of Jeff Jones and Lori Buck, a pig picking and all the trimmings was given by the groom's parents, Mr. and Mrs. Carson Jones. After the pig picking the presents were presented to the wedding party and the groom's cake was served. It was two tiers high with yellow roses and three white satin bells on top. It was baked by Mary Taylor. Linda Barnette, Cindy Dudley and Leon Taylor assisted in the serving.

Buck-Jones Shower

A Floating Miscellaneous shower was also given on a Sunday afternoon at Lane's Chapel Community building. About 80 guests attended. Sandwiches, mints, nuts, cake squares, cheese balls, crackers and punch were served. The hostesses were: Lynette Dudley, Cindy Dudley, Mary Taylor and Iris Jones.

Yellow seems to be the upcoming color in house furnishings. This year yellow will be seen in all shades and tones from pale straw to the light to midtone colors.

Do & Jean

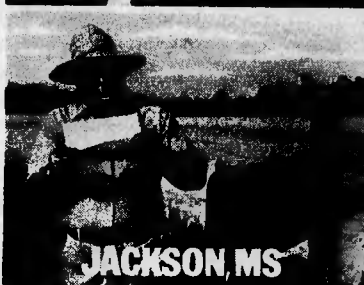

FROM NEW YORK TO MIAMI TO JACKSON, IN 3 TOWNS OUT OF 4, YOU'D BE PAYING MORE FOR ELECTRICITY.

NEW YORK, NY

MIAMI, FL

JACKSON, MS

RALEIGH, NC

Like the cost of almost everything else, the price you pay for electricity has gone up the past few years.

But it could have been a lot worse.

In fact, a survey of the average cost of residential service ranked CP&L 21st out of 28

Eastern cities, less than 1¢ over the lowest price per kilowatt hour.

And, with your help, we're going to keep on conserving energy and looking for more efficient, more economical ways to operate so that we can stay close to the bottom of the list.

Which means we'll both get more out of our energy dollar.
