WCHS Band Is Hard At Work

West Craven High School's renowned bands are hard at work preparing for their upcoming challenges in the Orange Blossom Festival Band Competition in Orlando, Florida, April 28-30. All facets of the instrumental program will be put to the test in one of the most demanding contests in the country.

Thursday, April 28, will find down easter-

ner's favorite ensemble, the West Craven Jazz Band, competing in open class competition with twenty-two jazz ensembles from across the country. The only North Carolina band entered, West Craven will put their talent against schools from Maine to Florida, and from New York to Oklahoma, in an effort to capture the top honors.

Friday, April 29,

will be a test of endurance, stamina, precision, and musicianship as the "Marching Eagles" of West Craven have the honor of "first off the line" in the famed Tangerine Bowl Stadium for the most colorful of all contests, the field show competition. With a history of outstanding marching performances over the past several years, West Craven's "Marching

Eagles" are definitely a force to contend with as marching bands from Georgia, Illinois, Kentucky and Oklahoma will soon learn.

The final contest will be Saturday, April 30, in concert band competition, as thirty-two bands from more than twenty states take to the concert hall for the performances of their lives. Not only are the awards and honors of the concert compe-

dition at stake, but also the special sweepstake award, which will be determined by the best band in all events.

"This is the culmination of years of hard work on the part of our kids and parents," says Mr. Joe Sizemore, Director of Bands, "and reflects a commitment on the part of our school community, the school board, and past and present administrations."
