

## \$10,000 Contribution

Wachovia Bank & Trust Co. has announced a \$10,000 contribution to the Penland School of Crafts' Student Fund. The Student Fund endows Penland's Work-Study Scholarship program which is designed to help students who cannot afford full tuition and fees.

"We consider this a 'leadership' gift," said Mike Page, President of the Board of Trustees. "It will be a continuing source of income for scholarships for our students." The Winston-

Salem Foundation will act as trustee for the \$10,000 gift.

Penland, located in North Carolina's Black Mountains, is recognized as a major force in the education of craftsmen and in shaping the crafts movement. Students have come to Penland from every state in the union and over sixty foreign countries. They enter on a first-come, first-served basis. And, except for scholarship students, who must present slides of their work, Penland is open to anyone, age 18 or more, who wants to learn a craft.

Opened in 1923 as a non-profit educational institution, Penland is one of the oldest and

largest schools of its kind in the United States. It is a North Carolina State-wide Arts Resource, dedicated to providing a serious, creative art program.
