

Truth (Continued from page 2)

several degrees from college who have done nothing in life but go to school—they have "book learning". They do not know how to hold down any job—they can't work with their hands or their brain—they can not even converse with business men. Knowledge has to be converted into usefulness or it will become stagnant like still water. The church is teaching intellectually and spiritually through truth.

The picture of a man who took the truth and planted it—now he is sitting under the boughs that over arch him. His days are happy and his life is full of joy and usefulness. That is a good lesson for everyone to follow—be useful, happiness will follow. Jesus performed many acts of kindness showing love.

John 18:28-38. "Truth?" said Pilate. "What is truth?" Jesus standing accused before Pilate in the Judgment Hall was asked "What hast thou done?" "Art thou a king?" Jesus answered: "Thou sayest that I am a King. To this end was I born and for this cause came I into the world that I should bear witness to the truth. Everyone that is of the truth heareth my voice." This is where Pilate asked "What is truth?"

How often do we miss seeing and knowing Christ's truth because our vision is limited? Trying to see the truth in this crazy mixed up world can sometimes cause us to cross our eyes. Truth is elusive and hard to pin down. Vision is limited, points of view are narrow, we become prejudiced. To believe in God is to know all his rules will be fair and there will be wonderful surprises. Jesus in pulling corn on the Sabbath to feed the hungry was accused of working—healing the blind—broke the rules of the Jewish religions. He was giving sight to the blind.

Truth, what is truth?

Prayer—Give me eyes to see, Lord. And let me see your truth!

Due to the concern of our friends and customers, we would like for it to be known that we have not sold the building formerly known as the "Stop & Fetchit". We have leased this building to E.J. Pope & Sons Inc. of Mount Olive, who will operate it as the "Handy Mart."
