

Dover, Ft. Barnwell, Cove City

From The Mayor's Office

By P. G. Whitley

Work on the new town hall and fire department is going according to schedule. The town offices will soon be in new quarters and the Dover Fire Department will be occupying the old town office building. The town of Dover is hiring local workers for its construction and remodeling while much of the fire department's work is being done by volunteer help.

Citizens are reminded that the town board meets every second Tuesday in each month. Office hours for the town offices are 2 p.m. to 6 p.m. on Wednesday, Thursday, and Friday.

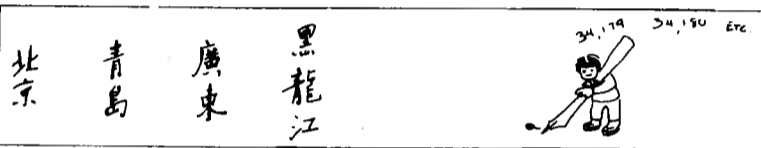

As for Cable TV for Dover, Cove City, and Fort Barnwell residents, the town is still waiting for the Craven County Commissioners to secure a release from Tar River Communications of these three areas. A private firm is ready to start laying cable as soon as the release is received.

Dover is a friendly town as can be seen in the above street scene as a couple of unidentified residents joke with another resident about posing for a picture to be in the newspaper.

The Bible.
It has a lot to offer.

It's a history book,
a mystery book,
a book of ethics,
a do-it-yourself manual,
a geography lesson,
a love story,
a passport,
an organization chart,
a self-improvement course,
a travel brochure,
a code book,
a diary,
a law journal
and otherwise good reading.
