

Youth Legislative Assembly

The 1985 Youth Legislative Assembly will be held this year from March 15-17, 1985 in Raleigh. YLA is a mock legislative assembly where youth are given a chance to learn about legislative procedures and then actually put their knowledge into use. Participants meet in one of ten committees to develop bills which are presented and debated on the floor of the mock assembly.

This year we are considering the following topics as committees: Violence, discrimination constitutional amendments, substance

abuse, animal cruelty, youth rights, environment, education, human sexuality, juvenile justice, international affairs, media and governmental operations.

If you wish to apply, we ask that you complete and return the enclosed resume post-marked no later than November 5, 1984. We will be holding interviews, Saturday, November 17, 1984 in Raleigh at the Youth Advocacy and Involvement Office, 121 West Jones St., and also at the next SYC meeting which will be held November 30-December 2 in Wilmington.

- That \$300,000 plus is going to those for repeat abortions.
- That our state budget goes beyond funding just for a mother's health protection in abortions.
- That some cosmetic companies buy the Fetus for cosmetic production.
- That Jesse Helms is against the above. Hunt promotes the 1.3 million.

- That Jesse Helms helped the vocational agriculture teachers in a bill passed in the '83 legislature for extended employment so the teacher would have employment to serve the farmer.
