United Way

The annual United Way fund raising drive has been completed at Weyerhaeuser Company's New Bern operations. This year's campaign was coordinated by Carl Tyer with assistance from Mary Freeman, Joe Walker, Johnny Jones, Ed Johnson, Brad Chesson, Gwynne Johnson, Judy Holzman and Gerald Morris.

Mill Manager, George Henson said, "This was the most successful campaign in the history of the mill. These outstanding results can be contributed to the interest and extra efforts of everyone involved in the campaign," Henson continued.

A grand total of \$14,812.07 was collected at the New Bern facility, which more than doubled last year's campaign. This was the second highest dollar increase of any company in Craven County during the 1984-85 campaign.

Gloria Wynn, Campaign Chairperson for the Plymouth facility, reports that the campaign there is going well with good response. She hopes to have the campaign completed by mid December.
