

## Dover's Christmas Tree ESTELLE COLE

In the little town of Dover there's a community Christmas tree—It's worth a drive from anywhere just to come and see.

If you travel during the holidays and are heading down our way, Come through our town and see our pride—You'll remember it many a day!

As I drove by not long ago, I saw firemen around the tree; They were stringing lights, not fighting fires, Seeming as happy as they could be.

I cannot count the many lights that adorn this stately tree. The star on top seems to invite—It's one thing here that's free.

I've seen many Christmas trees and enjoyed them through the years, But one claims my attention now and brings me close to tears.

Our town is proud of our homegrown tree; It stands so unaware, Of all the pleasure that it brings as we meet there on that square!

Once we joined hands and circled it and sang Christmas carols together; It made us feel so warm inside though it was cold, wet weather.

As I pass by, I think of those that are responsible for the beauty; I know they feel a surge of pride feeling they have done their duty!

The kids are all excited now looking forward to that day. When hopefully they'll meet "Santa" there Arriving on a 'pick-up', not a sleigh.

The churches in this area invite you down to pray. For peace and good-will together as we meet there on that day.

A 1982 Ford truck driven by Walter Berry of Laughing-house Road, New Bern ran off the right side of Streets Road and Piney Neck Road near Vanceboro, overturned and came to rest on SR 1444 Piney Neck Road according to Highway Patrol report the driver was charged with DWI. Berry is listed in stable condition at Craven County Hospital.

Pictured above is the truck in which Billy Lewis of Rt. 1, Box 228 Vanceboro overturned on SR 1476 Wilmar Road near Oak Grove Baptist Church. Lewis is listed in critical condition in CCU3, Pitt Memorial Hospital, Greenville.
