Senator Joe Thomas

Thomas Not To Seek Re-Election

After much consideration, I have decided not to seek re-election in 1986 for the State Senate. This decision is made with mixed emotions. As you know, I am in my fourth two-year session. The growing demands and responsibilities of the general assembly make it difficult to do a good job in both the legislature and business. Therefore, my decision not to seek re-election will allow me to devote more time to my family and business.

I will continue to be active in politics and we will be looking at another elective office in 1988.

I want to thank you for all the support and consideration you have given me during the 8 years I have spent in the North Carolina State Legislature.
