Saint Mary's Board Of **Trustees Plan For** Campaign

The following letter has been isued by the Board of Trustees:

To the Alumnae of Saint Mary's:

For some years now the facilities of Saint Mary's School have fallen ar below her needs. Since the school ecame a Junior College thirty years go the student body has grown, the aculty has increased, the curricuum has expanded, and the scholastic standing has achieved first rank. But during this time its only physical expansion has been an enlarged library, a small frame music building, and a dormitory. Consequently, the program of the school has become badly crowded and its facilities unduly strained.

In 1940 Saint Mary's planned to make a campaign for funds during the celebration of its centennial in 1942, but the advent of the war and all of its dark uncertainties persuaded us that an appeal then would not be in keeping with the times. Now, however, with the outlook much more encouraging, the Board of Trustees feels that once again atten-tion can be turned to the meeting of Saint Mary's critical needs for a science building, a dormitory, and for necessary repairs, all of which will be financed entirely from funds raised during the campaign. Some Phases of the program will be carried out immediately and some necessarily in the post-war period. There 18 no intention of changing the historic atmosphere which meant so much to you when you were here; Pather, maintaining this, to add Breater comfort and utility for future Saint Mary's girls.

Soon Saint Mary's will make an appeal for funds to the general puband to all Episcopalians, but more especially to the alumnae, on whose interest and support the wel-fare of Saint Mary's will always de-bend. Saint Mary's follows the ca-reers and lives of her students with interest and enthusiasm, and it is the proud record of Saint Mary's from her daughters she derives that her lifeblood and her strength, as videnced by this year's Grand-daughters' Club, which has over 60 members.

I hope that when you are called upon you will be generous with your contributions and support so that the progress of Saint Mary's will be assured for many years to come.

Sincerely yours,

RT. REV. EDWIN A. PENICK, Bishop of the Diocese of North Caro-lina, President Board of Trustees, Saint Mary's School and Junior College.

MISS G. (S.T.) SENECAL

A shrill whistle blows on the athletic field or in the gym, and it's Miss Genevieve Senecal (better known to her friends as Jeanne), giving orders to the teams there. (She has that remarkable enthusiasm and ability that enables one to help everybody in the group and to referee at the same time.)

Between her Friday gym classes, Miss Senecal volunteered the following highlights of her life. She was born in Canada, but when she was four years old her family moved to four years on her they have not Adams, Massachusetts, where they live now. When only six years they live now. When only six years old she entered Saint Anne's Acad-emy in Marlborough, Massachusetts, continuing her education there until she entered high school in North Adams. One of her extracurriculars high school was leading an all-boy orchestra. Having traveled ex-tensively in the north, Miss Senecal came south to attend college at Mary Washington in Fredericksburg, Virginia, where she graduated last year. She majored in Physical Education there, of course, but proudly con-fesses that she almost majored in French. While at Mary Washing-

ton, Miss Senecal won three degrees in Alpha Phi Sigma, an honorary society, was a member of the May Court, and end man in a minstrel show, as well as belonging to numer-ous clubs.

Miss Senecal enthusiastically tells of the summers she has spent at camp in Vermont, at numerous beaches on the New England coast, and traveling with her parents, especially in Canada. She was counselor at a girls' camp in New York last summer and expects to be there again this summer.

Miss Senecal's interests and hobbies are centered around sports (an interview wasn't necessary to know this), especially horseback riding. Another favorite pastime is reading novels, and Miss Senecal thinks she has read almost every one that has ever been written.

When asked about her opinion of Saint Mary's and the south, Miss Senecal said, "Oh, I love the south; in fact, I'm practically a transplanted Southerner now. As for Saint Mary's, I like everything about it the girls, the faculty, and its organization."

Caroline Long Elected President of Canterbury Club for Next Year

Eleanor Thomas will be next year's chief dance marshal as a result of a student body election held Wednesday. Eleanor, who is from Charlotte, has been at Saint Mary's for four years and has served as a class dance marshal every year. She has shown her ability for handling girl-breaks as well as formals with the tact and poise so necessary in this position.

Last year as a sophomore Eleanor served on the Hall Council. She graduated from the high school department, and has been active in her class this year, being a member of the Letter Club and French Club.

Caroline Long, of Garysburg, was recently elected by the Canterbury Club to be their president for next year. During her three years here, she has served at different times on the Hall Council, Legislative Body, Letter Club, Glee Club, Choir, and Altar Guild. Caroline was chosen in a recent student body election to be a marshal for next year.

Jane C. Cheshire Gives Second Certificate Recital

Piano Student of Mrs. Herbert Bird Performs in Auditorium

Jane Clark Cheshire, certificate pupil of Mrs. Herbert Bird, present-ed her piano recital on Wednesday, April 19, in Eliza Pittman Auditorium. The program consisted of three groups of unusually well selected numbers played with assurance and excellent technique.

Jane Clark opened her program with Bach's French Suite No. 4 in E Flat which she rendered with pre-cision and effectiveness throughout its changing tempo.

The second group consisted of a number of Chopin's works which im-mediately appealed to the audience. The familiar Waltz in B minor was played with the same charm and grace which characterized her rendition of Trois Ecossaises and Impromptu in F sharp major.

The first composition in the final group, Scriabine's Prelude (for the left hand alone), was played skill-fully. The last three numbers by Tcherepnin, Ireland, and Rufty concluded the program with the color and fine technique which stood out through the entire performance.

The office reports 116 returning students already signed up for next year and 102 new students.
