### Holt Presents View Of Life Of Seniors

Information Is for Benefit of Next Year's Residents of Holt

Holt Hall gave a preview of life in Holt in assembly on Tuesday, February 15. The purpose of the program was to give the rising seniors "a clue" about their life next year. Margie Story was narrator and there were four main scenes: going to and from breakfast, before and after lunch, before and after dinner, and 11 o'clock.

In the first scene after Katy has gotten everybody on 1st Holt up, *Minor Jordan, Nelle Clark, "Sis" Cobb, and Betsy Jones* ran through madly dressing for breakfast. *Caro* and *Marion* skipped breakfast (shame!). After breakfast *Miller* and *Moore* did the "shag" (?) and then bridge started. During the morning the famous "bridgule" queen and her court (*McNaught, Newt, Katy*) were seen seated in Holt parlor surrounded by *Pinner, Betty Brown Lewis, Ruth Saunders,* and *Mary Giles Stewart*, who were fussing about all the work they just couldn't find time to do. While *Betsy Harris* went through her repertoire on the Steinway, *Wills* and *Nannie* walked through comparing meals and waistlines.

From 9:30 to 11:00 *Ambrose* had her class and told a group of shocked seniors that *Mr. Moore* had given them *eight* Mother Goose Rhymes to learn! *Rixey* and *Blanche* nearly passed out from the shock, but *McNaught* revived in time to dash for her phone call.

Just after this *Lelia DuPre* and *B. A. Yowell* started the race for the tubs. "*Dunc*" and *Betsy Harris* spotted the "little man". This discovery was followed by screams

"How many letters are written just for the sake of the P.S.!" — *Sacha Guitry*.

and *Rosa* came in to quiet the girls because after all it was 11:00.

The end of a perfect day came with the music "My Best To You" floating out into the hall. After that a singing voice was heard on the radio. There was the noise of many radios being clicked off with sleepy groans of "Down with Downey."
