Give to the March of Dimes!  
Your Money is Needed to Help

The National Foundation for Infantile Paralysis is now sponsoring their annual national drive, the March of Dimes. This Foundation for Infantile Paralysis, which is supported by the annual March of Dimes campaign, helps polio patients. It provides for epidemic aid where it is needed.

The organization helps pay bills for patients who cannot afford the costs of polio care and works for improvement in treatment of and research into the prevention of polio. It also supplies educational materials and provides for training of educational workers.

The Foundation has a national office in New York City and branches in every state.

The chapters serve the public through volunteer members. A committee of medical advisers works with health authorities and hospitals to provide polio care. Every patient can be served by local chapters through the money given to the March of Dimes.

There are collection boxes in the shape of iron lungs distributed by the post office and in the signing-out room.

The boxes will be collected February 1, 1951.

## SMS Student Vestry Meets At Hughes'

Discussion Mainly About Lent, Chapel Service, Choir Practice

The Student Vestry of Saint Mary's held a meeting at Mr. Hughes' home Sunday night, January 14. At this meeting the Vestry discussed the behavior of the girls during choir practice. It is their aim to maintain a more spiritual atmosphere at all times in the chapel. The Vestry also decided to ask Mr. Broughton to change the Sunday evening service back to its original form. They suggested the idea of continuing prayers for peace during chapel services on Friday mornings.

The most important reason for this meeting was to discuss Lent and certain things to observe during this time. Lent is a spiritual revival for all Episcopalians and is a time to give up something not to help one physically, but to deepen spiritual life.

Mr. Hughes encourages more religious reading and prayers during this important church season and suggested a plan for having a certain time for silent prayers each night by the whole student body. The Vestry was told the ministers who will come to Saint Mary's during Lent.

Vicky Stedman is publicity chairman and will make and distribute posters to help students remember and observe the very important season of Lent.

## Elena Imaz Presents International Trio At Saint Mary's Auditorium

McKenzie, Lamb, Bourgeot Appear in Dance Program

Elena Imaz presented the International Dance Trio in concert at Saint Mary's auditorium Friday, January 19.

The program was divided into three main portions, Spanish dances by Miss Imaz, ballet and interpretation dances by Iona McKenzie and Wayne Lamb, and piano solos by Michel Bourgeot, the accompanist. The first group included *Coroba, Puerta de Tierra, Farruca, The Dance of the Old Men, La Buena Ventura, Orgia, La Leyenda, Zapateado, Hispana Moorish Dance, Dream of a Servant Girl, and In a Brazilian Market.*

The second group was comprised of *A Romantic Masquerade, Pas Seul, Tarantella, Abstract Mood and American Interlude.*

Mr. Bourgeot played *First Ballade in G Minor* by Chopin and *Oiseaux Tristes and Alborada del Gracioso* by Ravel.

### COSTUMES OF SPECIAL INTEREST

Of special interest to the audience were the costumes, which brought forth much favorable comment. Miss Imaz' colorful Spanish outfits were very suitable for her numbers, and Miss McKenzie's ballerina dresses were also appropriate.

### SERVANT GIRL SEQUENCE FAVORED

All three dancers showed great skill and knowledge in the performance of the dances. Audience dance favorites seemed to be the *Dream of a Servant Girl* sequence in which Miss Imaz portrayed in face and body a servant girl eager to dance the Jota, and also those in which Mr. Lamb appeared. Mr. Bourgeot also added to the audience's enjoyment.

## SMS Canterbury Club Holds Meeting In Hut

The Canterbury Club held its regular monthly meeting with the Raleigh Canterbury Club Sunday night, January 15. The Raleigh Canterbury Club consists of members from Meredith, Christ Church, the Church of the Good Shepherd, State, and Peace. The meeting was held in the Hut.

The members took their sandwiches and ate in a group. Although the time was used primarily as a social hour, the State Canterbury Convention which is to be held in Durham was discussed. The Canterbury Club hopes to send representatives to this Durham meeting.

After the social hour a very interesting and inspiring film was shown. The film, entitled "Again Pioneers," consisted of views of the slums and the work of their improvement that is being carried on in one town.

Mr. John Carter then concluded the meeting with a benediction.

If you want to put the world right, start with yourself.—Anon.
