## Saint Mary's Glee Club Sings At N. C. State For Brotherhood Week

**Miss Cate, Mrs. Winton Assist  
Glee Club With Sacred Music**

Saint Mary's Glee Club, directed by Miss Geraldine Cate and accompanied by Mrs. L. S. Winton, rendered three sacred numbers at the N. C. State College Brotherhood Week Program on February 21 in the YMCA auditorium.

The program consisted of a piano solo by Mrs. Sydney Narvey of Winnipeg, Canada; a vocal solo, *On the Road to Mandalay*, by Hubert S. Ghosen of Alexandria, Egypt, who is president of the Cosmopolitan Club; an address, "The Universal Declaration of Human Rights," by retired Dean B. F. Brown; and by the Glee Club, *The Twenty-third Psalm* in honor of the Jewish faith, *Oh Brother Man* in honor of the Protestant faith, and two selections from the *Stabat Mater* in honor of the Roman Catholic faith.

Dr. Nell Hirschberg, director of the Temple Beth-Or choir, introduced and explained the Glee Club's selections. She also presented two singers who demonstrated the ancient Jewish methods of religious singing and the present-day Jewish singing. In closing the program, Hubert S. Ghosen led the group in singing *A Song of Peace*.

The purpose of Brotherhood Week and the Brotherhood Week Program was to bring about a better understanding and a kindred feeling between the Jewish and Christian faiths in order to help promote the common goal, world peace.

Immediately following the program a social period and refreshments were enjoyed in the parlor by those participating in and attending the program.

## Underclassmen Will Hold Contest To Elect Saint Mary's Sweetheart

### Masselos Will Play For Saint Mary's

William Masselos, talented and popular young pianist, will present a musical program in Saint Mary's Auditorium March 6.

Mr. Masselos will play two concertos, the Emperor Concerto by Beethoven and Concerto in F Minor by Chopin. He will also play a group of unannounced solos in contemporary music between the two concertos.

Miss Mary Ruth Haig, teacher of piano at Saint Mary's, will play the orchestral accompaniment arranged for the second piano for Mr. Masselos during the two concertos.

Mr. Masselos received a scholarship to Juilliard School at the age of eight. He continued his studies there for ten years until he finished. At the age of eighteen he made his debut in New York at Town Hall.

Since that time Mr. Masselos has had five New York recitals in both Town Hall and Carnegie Hall. He even has a White House recital to his credit. In 1947 he received the prize as the outstanding young pianist of the year, given by the Federation of Music Clubs.

Last year Mr. Masselos covered 8,000 miles and presented 77 concerts on a tour. Recently he has recorded Charles Ives' First Sonata for Columbia Records.

This is Mr. Masselos' fourth concert at Saint Mary's in as many years, and he will be well remembered by many of the students and faculty here.
