St. Mary's Elects GOP Ticket

The Belles held a mock election on Thursday, November 1. The students voted two to one for the Eisenhower-Nixon ticket.

In 1952, 148 students voted for Eisenhower and Nixon, while 120 voted for Stevenson and Sparkman. Contrasting this choice was the vote of the faculty who favored the Stevenson-Sparkman ticket 22 to 10.

271 students voted on Thursday. The Eisenhower-Nixon ticket received 180 votes while the remaining 91 votes went for Stevenson and Kefauver. Out of the 26 members of the staff and faculty who voted, 13 voted for each ticket. This election proved that the students, who are unable to vote, were more interested in this mock election than the faculty or staff members who are eligible to vote in the national elections.

Although much campaigning was done by the YDC and the YRC, the members of *The Belles* staff were in charge of all plans. Poll keepers were Linda Lunsford, Lois Middleton, Carol Spaulding, Sally Thompson, and Gail Cohoon.
