

A Trip To The Fair

The morning of October 9 brought excitement to everyone in Raleigh. This was the opening day of the 1967 North Carolina State Fair. The many activities of the Fair that took place this week began with a parade down Hillsborough Street at 10:00 a.m.

We could hear the bands tuning up in front of school and the shouts and cheers of young children as we desperately tried to concentrate on lines and line segments, commas and sentence fragments, and all those dates and facts.

The main feature of the parade was singer Jimmy Dean. A few of the lucky girls were fortunate enough to hear him; and many other girls returned to school with balloons and autographed pictures. Chapel was shortened that morning, thanks to Rev. Baird, in order to give us a few extra minutes to watch the parade.

Everyday that week large groups of St. Mary's girls attended the Fair and its many activities. The rides were exciting and many were very unusual; to name a few—the Bullet, the Bevero, the Rotator, and Double Ferris Wheel.

There were also many games of "skill" of which the rewards consisted of lovely stuffed animals. There were gambling tables, freak exhibitions, a Munster House, Batman's Cave and many other exciting treats. Saturday afternoon was highlighted by the rodeo in the Dorton Arena and the stock car races.

The psychedelic house was perhaps the most unusual attraction. This gave us a very vivid picture of what we might see while on an LSD trip!!

The Fair was thoroughly enjoyable to us all, but I'm sure everyone will agree that the quality and standards of the people could have been higher and that the surroundings and the grounds themselves could have been a little cleaner. But, all in all, it was wonderful and we're all looking forward to next year's State Fair.

Government Classes Take Political Poll

St. Mary's Political Poll (2 American Government classes and 1 Comparative Government class).

1. Which candidate of these would you prefer as the Republican nominee for President?

Romney	18%
Rockefeller	16%
Reagan	15%
Nixon	12%
Percy	12%
Lindsay	6%
Lodge	4%
Dirksen	4%
No preference	13%

2. Which candidate of these do you believe will receive the Republican nomination for President?

Reagan	27%
Nixon	19%
Rockefeller	18%
Romney	16%
Percy	1%
Lindsay	1%
Don't know	18%

Comments on Republican Presidential nominee figures:

- Ronald Reagan is the first choice of the greater number of students with Richard Nixon a close second.
- Actually, upperclassmen prefer Nixon whereas underclassmen are decidedly pro-Reagan.
- Democrats would more likely vote for Rockefeller than any other Republican. Independents prefer Reagan. Republicans give the edge to Nixon over Reagan.
- Almost all of Romney's strength showed up in the Senior Class where he was favored over all others.

Sea Saints Choose Six New Members

St. Mary's water ballet group, the Sea Saints, inducted six new members. The newest Sea Saints are Bek Hinkle, Martha Langley, Beth Foster, Katherine Heath, Carolyn Bertie, and Anne Holcomb.

The Sea Saints plan a program for the middle of February. The program will be presented for two nights and will be open to the entire school and public.

5. The most favored Republican ticket overall is Reagan-Percy, with Nixon-Reagan a close second. 6. If Nixon and Reagan are considered to be in the moderate to conservative wing of the Republican Party and Percy, Rockefeller and Romney are counted as being moderate to liberal, then St. Mary's students are almost evenly divided between moderate-conservatives (87) and moderate-liberals (80). Figures and comments on the other poll questions will be available tomorrow in Lower Smedes.

Republican Presidential Nominee	Nixon	Percy	Reagan	Rockefeller	Romney	Other
