Visitation Committee Comes To SMJC For First Time

On Friday April 18, the Board of Visitors spent the day on St. Mary's campus. The Board of Visitors is the first group of this type that has been associated with the school. It is composed of outstanding citizens of their respective communities. These people are interested in promoting educational and cultural projects in the school. It is hopeful that their ideas and support will be beneficial to the school.

The board arrived Friday morning and spent a good portion of the day visiting the different classrooms and laboratories. They also met with the Board of Trustees. They ate lunch with the students in the dining room. A special assembly was held at two o'clock for all students and the committee. The program was given by the students involved in the fine arts program with the addition of the Cold Cuts. Included in this program besides the Cold Cuts was the drama club, Orchesis, and someone playing the piano. This assembly was intended to demonstrate the quality of work done in the department. At four o'clock the faculty and staff entertained the committee at a tea. At five o'clock a special chapel program was presented. The day was concluded with the Board of Trustees and Board of Visitation dining at the Velvet Cloak.

On April 2, the eve of the spring vacation, the St. Mary's Glee Club with the Boy's Glee Club of East Carolina University presented their Spring Concert. The clubs were under the direction of Miss Geraldine Cate and Mr. Brett Watson. The piano accompanist was Mr. Michael Bulley.

Separately, each club presented a selection of numbers. The girls' selections included three Bach numbers set to a swinging rhythm accompanied by a string bass and a snare drum. They also sang "The Impossible Dream," "Scarborough Fair," and "Zip-a-Dee-Doo-Dah."

Combined the singers presented the poem "Fern Hill" by Dylan Thomas set to an unusual and varied score. "Fern Hill" included a solo by mezzo-soprano Jackie Mooney. A melody from **West Side Story** concluded the program.

Mr. Roberts Chosen Raleigh's Ambassador

Don Roberts, teacher of comparative government and American History at St. Mary's, has been chosen Raleigh's 1969 community ambassador. Raleigh has participated in this program sponsored by the Experiment in Living for fifteen years. Miss Lou Jones was also an ambassador several years ago and lived in Israel.

Kenya is the country Mr. Roberts will visit this year. He has been studying and investigating the country and has had additional help from his Kenyan friend, John Kehohia, a pre-med student at Shaw University.

The trip begins June 23 when Mr. Roberts goes to Putney, Vt., the center of the Experiment in Living, and joins about eight other Americans who are also going to Kenya. The group then leaves for a six week stay in Kenya on June 26.

The first four weeks of his visit, Mr. Roberts will live with a Kenyan family as a participating member of the family. There is a good chance that he will be sent to Nairobi, the largest city in Kenya with 300,000 inhabitants. The last two weeks of his stay

While there, he will visit the famous Tsavo National Park which is the largest game reserve in the world, Mt. Kilimanjaro, the Nairobi National Park, and possibly the bordering countries of Uganda and Tanzania.
