### SCOTTISH DANCERS HOLD CEILIOH

To celebrate their first anniversary, the "Ghillie Callum Dancers of St. Mary's" held a Gathering of the Clans here Saturday, October 3rd. Scottish dancing groups and pipers from North Carolina were invited.

The St. Mary's organization was formed last October to encourage a greater interest in Highland Dancing. The dancers performed in assemblies on campus and during May Day last year. The group has also danced at the State-Carolina basketball game and at the International Students' Fair. The Ghillie Callum Dancers usually perform with the Pipe and Drum Corps of N.C. State.

Several groups exhibited their dancing skills Saturday afternoon. Included were two groups from Fayetteville. One group did the Fling. Miss Sally Herr from Terry Sanford High School danced the Irish Jig. The Ghillie Callum Dancers did the Fling, the Eightsome Reel, the Four-dies' Dance, and the Highland Ladies' Dance. Suzanne Ishee and Betsy Monroe did the Jacobite Sword Dance. It was taught to them last year by the Gordon Highlanders from Edinburg, Scotland. They are the only two girls in the United States who know this dance.

The Pipe and Drum Corps from State and Col. Cone of Ft. Bragg played several songs on the bagpipes. The Rev. Stedman Brian from Fayetteville, a Scottish parson, gave a short talk about the Gaelic language.

Following the performances, a tea and a dancer-piper workshop were held. To close the activities, a picnic dinner was served on the athletic field.

### NEW GYM SUITS FINALLY ARRIVE

The most fashionable thing to wear this fall seems to be the new St. Mary's gym suit. It is made of navy blue wash and wear cotton and comes with matching pants. The dress has "St. Mary's" embroidered in white on the upper left-hand side. Anyone may order the gym suit which costs eleven dollars. Said Miss Duncan of the athletic department, "The new gym suits definitely look better on the girls and are not big and bulky as were the old ones."

### Mlle. Clement Reacts to Her New Experience At SMJC

Mademoiselle Catherine Clement is the new French teacher at St. Mary's. Although her real home is Armentieres, France, she makes her temporary home in West Rock this year. Mlle. Clement can identify with both teachers and students at St. Mary's, because she teaches here and also attends classes here and at State. She studies English and history at St. Mary's and Russian at State. Mlle. Clement teaches two high school French classes eight hours a week. She enjoys teaching and says that it is a very interesting experience. Mlle. Clement thinks that the language department at St. Mary's gives the students a solid foundation in their particular language, but she thinks that all languages should be taught to students at a much earlier age when their retentive powers are greater.

Regarding the various schools she has attended, Mlle. Clement feels that there is really no comparison between London schools and St. Mary's. She likes St. Mary's and says she is being well treated here. Mlle. Clement also commented on the atmosphere of St. Mary's, saying that it is very conducive to studying. According to her, English and American students are more natural and very friendly.

Mlle. Clement loves to meet all different kinds of people and talk with them. She enjoys going places with a group of people and hopes to do more of this in the future. So far, her busy schedule has kept her from getting acquainted with other students. For this reason, and also for the benefit of the students, Mlle. Clement would like to see some on-campus facility set up where St. Mary's students could get together with other Raleigh students and enjoy themselves. She thinks that this will help to alleviate boredom and homesickness. She further states that she would be more than glad to help initiate the project.

Since this is Mlle. Clement's first visit to the United States, she has not had time to form many opinions, but she did say that she is very impressed with the tremendous size in area of the United States as compared to European countries. She hopes to travel and see much more of the U. S. eventually. Mlle. Clement commented favorably on the natural "look" that American girls have, although she said that American fashions are somewhat behind European fashions. Mlle. Clement has many interesting opinions and ideas which she would like to share with other students and hopefully both she and other St. Mary's girls can benefit from a slight interchange of culture.
