Last, but not least, is Peaches Rankin, of Gastonia, N. C. A counselor on third east Smedes, Peaches is also president of the Cold Cuts, president of St. Genesis and vice-president of the Drama Club. After a trip to Alabama, where she was completely snowed by the state, she applied to the University of Alabama and has been accepted there.

## NEW COLD CUTS

SUSAN MIDGETTE

Two new Cold Cuts were chosen last week, Mary McCown and Liz Smith. Both are counselors - Mary in West Rock and Liz on Third Smedes. After the traditional celebration at the PR they were congratulated by their halls with toilet paper, stripped beds, hidden clothes, cold showers, and parties with big cakes. Mary deserves double congratulations for that same week she was accepted at the University of Alabama.

Next time you hear the Cold Cuts you will see nineteen of them. As well as the new faces you will see two new instruments, Mary on the clackers and Liz on the paintbrushes.

## INQUIRER'S CLASS

An inquirer is one who seeks after truth and information. An inquirer is a questioner.

On Wednesday the 16th of February, a series of Inquirer's Classes began. The group meets at seven o'clock on Wednesdays at the Chaplain's home. It is not too late to join. This is an informal gathering and whatever teaching and learning transpires is on an informal basis.

We are trying to take a look at the Christian faith and see just what the Christian life entails. We are also looking at the Episcopal Church - its form, make-up, rituals, and beliefs.

Those who come have the opportunity to initiate discussion and to ask their questions. The Chaplain acts as moderator and resource person and will cover, in addition to answering questions, basic beliefs of the Christian faith.

In April, Bishop Elebash will be on the campus for Confirmation. Going to the Inquirer's Class is a prelude to Confirmation but does not obligate anyone to be confirmed. You're invited.

become leaders in their communities."

## Academic Dean

President of academic affairs.

Becoming interested both in more challenging work and in returning to North Carolina, he came to St. Mary's.

"I've known about St. Mary's all my life," commented Dr. Miller, "mainly from past dating experiences."

Although he has no personal advisees, he says "My job is to help the students graduate. I'd like to help everyone."

Stated Dr. Miller: "I really enjoy being a dean, but I wouldn't want to give up teaching, either. I am thoroughly enjoying every aspect of St. Mary's."
